- 9.5 Reading Instruction at lower grade levels – response to prior years CST scores

Jeff would like to meet with Laurie & Louthea to deepen the work she began in the document composed in response to Board questions about the school's approach to reading instruction. Item tabled until November meeting so there is time to work with Laurie on perfecting the document. Recommendation given to observe classrooms and deepen understanding of Waldorf process.

Louthea inquired into whether there is historical policy already set that Blue Oak accepts lower ELA scores in 2nd & 3rd grades knowing that the students achieve higher than average scores in the higher grades.
