## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2018-19)

Vision: To be a model for successful education of the whole child.

Mission: To nurture and deepen each child’s academic and creative capacities using methods inspired by Waldorf education in a public school setting.

The Blue Oak School (“Blue Oak” or the “Charter School”) is a tuition-free Waldorf-methods public school that opened in September of 2000 with seventeen children and one teacher. Today the school supports over 380 children and 50 employees and represents over three hundred families all over Butte County. Our school has outgrown our site four times in ten years due to expanding enrollment with some parents commuting from remote rural areas to attend.

Blue Oak is committed to nourishing and educating the whole child, based on the natural developmental model. The Waldorf curriculum is an inspirational and disciplined approach that infuses learning with enthusiasm, creativity and significance. Blue Oak brings Waldorf, a formerly private-sector developmental model of educational pedagogy into the public sphere with integrity, purpose, and vision. Engagement of the child is one of the tenants of this model of education and it is the job of the teacher, and the life-blood of the school, to awaken and engage the will of a child. Children at Blue Oak model citizenry, compassion, and excellence in academic and social endeavors while wholly embracing standards-based curriculum, instruction and assessment. The curriculum is developmentally appropriate, neurologically sound, integrative and imaginative and aligned with California state standards , with an emphasis on practical skills highly applicable to life in the 21st century and an intentional focus on art and music.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	36.0	38.0	51.0	54.0	48.0	50.0
Mathematics (grades 3-8 and 11)	29.0	31.0	42.0	44.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	229	216	94.32	37.50

The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2018-19)

Parent participation is strongly encouraged and is necessary to the successful education of all children at Blue Oak Charter School. It is well known that when parents are involved with their child's school, the child has a better school experience and outcome. In addition, an important aspect of Waldorf education is that children learn through imitation of the nurturing adults around them. When children see parents and teachers working together in the classroom, the gardens, and at school meetings and festivals, children learn directly the values of group cooperation, dedication, problem-solving and hard work. In addition to providing this healthy example to our children, parent participation is integral to various aspects of the school curriculum including handwork, gardening, cooking, and reading. Parent participation is necessary in order to envision, develop and maintain a naturally beautiful environment for the children, both in and out of the classroom. Parent involvement also provides opportunities to increase understanding of the Waldorf Methods curriculum.

Parents are encouraged to become active members of the Parent Council, various school committees and may serve on our Charter Council. These are wonderful opportunities to get to know other Waldorf families and enjoy the camaraderie of working together for a common purpose. We request parents to contribute 50 hours per school year.

There are numerous opportunities for parent involvement including: Parent Council

Advisory Committees

Charter Council Site Council (title 1)

Classroom and Office Volunteering Chaperoning Field Trips Supervision

Fundraising Gardening School Tours

Festivals (Harvest and May Faire) Start of School Clean Up Day

### School Safety Plan (School Year 2018-19)

Blue Oak Charter School provides a safe, clean environment for our students, staff, and volunteers. Our school has been beautified with additional landscaping, raised beds for gardening, and interior painting. Our Facilities Manager and two custodians ensure classrooms, restrooms, and school grounds are kept clean and safe to provide a well-maintained and suitable learning environment. Blue Oak Charter School has always strived to ensure that all students enjoy maximum learning opportunities within a safe and orderly environment, free from disruptive influences.

Safety of our students and staff is our primary concern. Our staff is on duty during recess, lunch, and before and after school to ensure the safety of all our students. The school's Risk Management Plan includes steps for ensuring student and staff safety during a disaster. Fire drills are conducted once per month throughout the school year. The school-wide Discipline Plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the School Risk Management Plan include child abuse reporting procedures; disaster response procedures; procedures for safe entering of, and exiting from school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. The Safety Plan is currently being reviewed and revised through the School Site Council and will be available by June 2019.
