i-Ready Diagnostic Assessment ... what is it?

i-Ready Diagnostic Assessment is an online, interactive learning environment designed to assess students and then provide individualized instruction based on each student's unique needs. The exciting format and engaging content, as well as the Study Buddies and other interesting, contemporary characters, draw in students right away. The i-Ready experience builds students' investment in their learning by giving them real-time feedback on their progress in each skill. This is our 2nd i-Ready assessment, assessing progress and preparation for standardized stat testing.
