### Volunteer .... Why?

The single most important factor in the success of a child's education is the parent. Volunteering in the classroom, at school events, or helping at home to support school needs shows your student their education is important to you.

The more parents participate in the school activities, the more successful their children will be. Children whose parents are involved in their schools do better in terms of grades, behavior, attendance, and testing.

Volunteering helps to build your relationship with your student's teacher and school staff. Time in the classroom helps you better understand the daily routines and expectations and allows you to see your child in the school environment. It builds community giving you a better opportunity to meet other parents and the students your child spends the day with.

### Volunteer .... How?

- Check in with your teacher to see what your child's classroom needs
- Attend your child's class meeting in February to see how you can get involved in your child's class
- Attend the next Parent Council meeting, Tues. 2/4/2020 and get involved in upcoming events
- Signup with Parent Square to get important school notifications

### Volunteer Opportunities

- Finance Committee needs a parent representative
  - Lost and Found / Garment Collection
  - Donation is being sought to procure advertising at Chico Sports Club
