The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the charter's and the public. In accordance with law, Board members shall disclose any conflict of interest and, as necessary, shall abstain from participating in the decision.

Adoption

The Governing Board hereby adopts this Conflict of Interest Code ("Code"), which shall apply to all governing board members, candidates for member of the board, and all other designated employees of Blue Oak Charter School ("BOCS").

Designated Employees

Employees of BOCS, Board members and candidates, who hold positions that involve the making or participation in the making, of decisions that may foreseeably have a material effect on any financial interest, shall be designated employees. The designated positions are listed in Exhibit "A" attached to this policy and incorporated by reference herein.

Additionally, the Corporations Code prohibits a nonprofit corporation from having a board composed of more than 49% of "interested persons." (Corporations Code Section 5227.) "Interested persons" are those who receive compensation from the corporation, either as employees or contractors, or any family members of such persons.

Statement of Economic Interests: Time of Filing

Each designated employee, including governing board members and candidates, shall file a Statement of Economic Interest Form 700 ("Statement") at the time and manner prescribed below, disclosing reportable investments, interests in real property, business positions, and income required to be reported under the category or categories to which the employee's position is assigned in Exhibit A.

An investment, interest in real property or income shall be reportable if the business entity in which the investment is held, the interest in real property, the business position, or source of income may foreseeably be affected materially by a decision made or by participation in the decision by the designated employee by virtue of his or her position. The specific disclosure responsibilities assigned to each position are set forth in Exhibit B.

Statements Filed with the BOCS

All Statements shall be supplied by BOCS. All Statements shall be filed with BOCS. BOCS's filing officer shall make and retain a copy and forward the original to the County Board of Supervisors.

Contents of Initial Statements

Initial Statements shall disclose any reportable investments, interests in real property and business positions held on the effective date of the Code and income received during the twelve (12) months prior to the effective date of the Code.

Disqualification

No designated employee shall make, participate in making, or try to use his/her official position to influence any BOCS decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

- Any business entity or real property in which the designated employee has a direct or indirect investment or interest worth one thousand dollars (\$1,000) or more.
- Any source of income totaling two hundred fifty dollars (\$250) or more provided or promised to the designated employee within twelve months prior to the decision. (This category does not include gifts or loans made at regular rates by commercial lending institutions.)
- Any business entity in which the designated employee is the director, officer, partner, trustee, employee, or any kind of manager.
- Any donor of gifts totaling \$250 or more in value provided or promised to the designated employee within twelve months prior to the decision; any intermediary or agency for such a donor.

No designated employee shall be prevented from making or participating in any decision to the extent that his/her participation is legally required for the decision to be made. (The need to break a tie vote does not make the designated employee's participation legally required.)

Manner of Disqualification

When a designated employee determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to BOCS Executive Director, who shall record the employee's disqualification. In the case of a designated employee who is head of an agency, this determination and disclosure shall be made in writing to his/her appointing authority.

Governing Board members shall disclose a disqualifying interest at the meeting during which consideration of the decision takes place. This disclosure shall be made part of the Board's official record. The Board member shall then refrain from participating in the decision in any way.

Definition of Terms

As applicable to a charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically California Code of Regulations Section 18730, Government Code 1090, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code.
