Breakfast & Lunch Sack Meals

Monday-Friday

11:00AM – 1:00PM

visit the Blue Oak YouTube channel to find the Fairytale Presentation video.

PARENT REMINDER

We have been thoroughly enjoying our students being back on campus!

It has taken the great effort and planning of all staff and a community of parent volunteers working together to make this happen.

We are taking a moment to remind all families to follow our school wide plan for drop off and pick up in designated areas only. We share a parking lot with Little Discoveries Preschool and must consider their needs for through traffic as their drop off time coincides with ours. Stopping in areas that are not designated for drop off and pick up blocks traffic and causes serious safety issues for students and staff. Following the school wide plan will not only encourage others to do so, it will help us assure the safety of all students and staff. Thank you for helping us keep everyone safe and supporting Blue Oak School!

We wish you all a Safe & Happy Holiday Season!

“WISDOM IS THE POWER TO PUT OUR TIME AND OUR KNOWLEDGE TO THE PROPER USE.”

VIRTUAL CONCERT FUNDRAISER

We'd like to give a HUGE thank you to the Brandi family for the amazing Christmas performance in December. We received nothing but remarks of pure joy from the experience!

For those of you who missed it, you can find the recording on our YouTube channel and you can still make a donation for the performance by visiting blueoakcharterschool.org/donate.

TEACHER CORNER

Recently, at a Charter Council meeting, Blue Oak faculty addressed the use of storytelling and fairytales in our curriculum. The Blue Oak Pedagogical Team created a PowerPoint presentation to describe why storytelling is a major aspect of our curriculum as it allows for the use of imagination that builds critical thinking and problem solving skills.

If you are interested in viewing this presentation which was given by faculty members, Riley Murray and Brianna Lee, and also includes a short clip from Ms. Cheryl's Kindergarten class,
