SCHOLASTIC BOOK FAIR

This year, Blue Oak's Scholastic Book Fair will be virtual! Starting today, you and your student will have the opportunity to order books to be delivered right to your door.

Although we are sad not to be able to host this event in-person this year, the online book fair platform offers a variety of fun tools for you and your students to utilize, such as:

- The Virtual Fair – Take a tour around a virtual book fair as if you were there in person! Click on the section you'd like to visit and then click on each book you'd like to read more about.
- E-Wallet – Give your student the opportunity to browse and purchase their own books by setting up a safe, cashless way for them to shop.
- Blue Oak Wish List – See the attached wish list for a list of books you can purchase to help diversify our library!

Please be sure to log in to ensure your purchase proceeds go to Blue Oak. Visit our Scholastic Book Fair homepage to get started:

NEW COUNSELING INTERNS

Blue Oak has two new interns to help our School Counselor, Emma Todd, support our students.

Alejandra (Ally) Moreno, a social work intern, and Elise Raymond, a psychology intern, are both here from Chico State to assist with student interaction and work on other projects within the counseling room.

They are both very excited to be here and we are thrilled to be able to offer our students extra support during these tough times. Welcome Ally and Elise!
