SAVE THE BIG JARS

Ms. Hunter and Ms. Murray are planning an exciting project for our 5th graders and need your help! We are saving gallon sized pickle jars for this project. As we are only two humans, we can only eat so many pickles. We would love your support by buying gallon sized pickle jars from Costco (only \$5!) and saving the jars for us! Please contact Ms. Murray for drop off/pick up arrangements and thank you for your help.

NOTE FROM MRS. DOMENIGHINI

Dear Blue Oak Community;

Blue Oak staff and faculty thank you for a year of hard work, strength, and fortitude. May this be the year that was and may we each enjoy a peaceful summer and come back refreshed and ready to learn and grow. Though this is the last Acorn of the year and we are on reduced hours we are still here if you need us. Please email, phone, or come by if there is anything way we can help you. Come July 1st I will reach out again to those who have been invited to Summer School. We look forward to seeing you again soon.

Warmly,

Susan Domenighini
