The Community, Assessment, Response, and Education (CARE) team is a healing initiative of North Valley Community Foundation that provides non-immediate support for anyone who is concerned about a loved ones wellbeing. The CARE Team is a group of highly trained, caring, and compassionate community healers who will listen without judgment, provide compassion and support, and connect you with long-term counseling, if needed. Information about the CARE Team can now be found on the Blue Oak Counseling & Crisis webpage.

### PC FUNDING REQUEST FORM

Hello from Parent Council (PC)! We serve as the leadership core for the parent/guardian body, primarily focused on school community and culture as well as fundraising efforts to help support the financial needs of the school. We also support and sponsor any activities that contribute to a healthy community at Blue Oak School. For example, we recently funded the Yearbook Club so they could purchase cameras and we sponsored Claire Fong's beautification

project of the courtyard. Do you have an activity or project that needs funding? If so, please fill out the Funding Request Form now located under the Links section in Parent Square. If you have any questions, please feel free to email the Parent Council chair, Alicia Trider, at [aliciatrider@hotmail.com](mailto:aliciatrider@hotmail.com).

### RANDOM ACTS OF KINDNESS DAY
