**LCAP Discussion** - Blue Oak is hosting a Townhall to review the Local Control and Accountability Plan (LCAP) with the Blue Oak community. The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. Our current plan extends until the 2024-2025 school year. It is a requirement of the state that information and input is gathered from Blue Oak administration, faculty, staff and parents which is why we need your help. This discussion will serve as a check-in about how we are doing so far, and what we would like to achieve moving forward.

**Looping Discussion** - Blue Oak administration and faculty would like to gather parent input regarding our schools looping model. Currently, our class and teachers stay together from 1st-8th grade in most instances. Recently, there have been discussion about changing the looping model in which the class still stay together 1st-8th grade but the teachers loop in shorter sections, breaking up lower and upper grades curriculum. Two faculty members are currently testing this method out, as many other Waldorf charter schools are doing as well. Please join us to learn more about possible looping changes as well as give input about your perspective of what these changes could mean for your student.

### BLUE OAK BOOK FAIR

Happy, happy Book Fair week! Don't forget to check in on the dress-up days for the rest of the week. At the end of the week, we will be announcing Most Spirited Class for the dress up days and Best Door(s) for the door decorating competition. Stay tuned!
