### MAY FAIRE INFO

**Sunday, May 1<sup>st</sup> from 10AM to 1PM**

In the spirit of being back into the swing of things, we will be sharing info each week regarding the May Faire leading up to the event. Since it has been over two years since we have been able to host this event for the Chico community, and we have had many new families join us, today's update is a little refresher. See a brief synopsis of the May Faire below and check out the beautiful flyer attached for a more detailed and global description of the May Faire:

*The May Faire is an annual outdoor festival that ritually welcomes the Spring, which is traditionally celebrated by Waldorf schools throughout the world. This event engages the students with the larger community and celebrates the spirit in which Waldorf schools nourish and support the child's connection to nature and the seasonal cycles.*

*May Faire activities range from face-painting to child-made crafts, music & singing performances, storytelling and more. The most iconic element of May Faire is the children's maypole dance that evokes community pride and joy and continues a tradition that was started by celebrants performing in May festivals centuries ago.*

### WORKSHOP FOR PARENTS

The stressors of the recent years have stretched every parent, couple and child to the point of frustration and hopelessness. Let's move forward to happiness and connection!

From Challenge to Wonder: Seeing the Magnificence in Ever Child is a workshop for Butte County parents, educators and mental health providers to help us stay uplifted through spring! This event will be held on **Friday, April 22<sup>nd</sup> from 8:30AM to 2:30PM**. To sign up or learn more, check out the flyer attached or use the link below.

### FAMILY MOVIE NIGHT

It's almost April which means it's almost time for Family Movie Night! This will be the first fundraiser held by our 1<sup>st</sup> grade class to help raise funds for future field trips. All are welcome.

Please bring camping chairs and/or blankets to sit on while we watch a family friendly movie (PG) on our beautiful back patio. Tickets are not required but are highly encouraged; either way, no one will be turned away.

Check out the attached flyer for more details about what goodies will be available for purchase and what movie will be played. All children/students **MUST** be accompanied by a parent or guardian upon entry, no drop-offs will be allowed. Hope to see you there!
