HARVEST FESTIVAL

The Parent Council would like to announce this year's Harvest Festival! The event will take place **Friday, October 14 from 4:45PM–7:00PM** in the Blue Oak play yard. Please see the attached flyer for details!

The Harvest Festival is a tradition here at Blue Oak. It is a time where we come back together to build & strengthen our connections as a community. The forces of nature are influencing us to turn inward and strengthen our inner life. Our relationships to one another act as a mirror; reflecting back to us where our energy needs to go next. Look out from your PC Reps to see where and how you can volunteer or donate to make this event a success.

CHILDREN'S CHOIR OF CHICO

It's time to sing again! The various choirs of the Children's Choir of Chico invite new members to come to rehearsals to join in the fun for the new year. The Children's Choir of Chico is a choral music education organization dedicated to shaping the future by making a difference in the lives of children, youth and women through musical excellence and great music. To learn more about how to get started, see the flyer attached and use the link below.

WELLNESS ROOM WISH LIST

A message from Ms. Amber Bass:

Thank you to all who have donated to the Wellness Room. I have so much gratitude for our Blue Oak community. The Wellness Room is in high demand for a variety of reasons, hungry students being one of them. We continue to need a supply of snacks. I have provided a list of items (see attached) that we could use pretty regularly. Feel free to drop off items at the front desk for the Wellness Room. We really appreciate your support!

CHICO PARADE OF LIGHTS

This year marks Chico Parade of Lights' 31st annual celebration! The theme this year is "Unity in the Community." Come have fun by being a part of the Chico Parade of Lights on **Saturday, October 15, 2022 at 7:30PM** in Downtown Chico. See the attached flyer and/or the link below to learn more.

CARD SCHOLARSHIP PROGRAM

Did you know CARD has a Youth Scholarship Program? The Jan Sneed Youth Scholarship program was established to assist families financially who live within the district boundary lines and are unable to participate in fee-based recreation programs due to economic constraints. To learn more about how to receive financial assistance through this program, see the link below for more details.

LUNDBERG FARM DONATION

Thank you, Lundberg Farms, for the very generous donation of 100 pounds of organic brown rice to the Kindergarten food program! Our hearts and bellies are full of gratitude.
