She would like to see this implemented at the school. It would consist of a 10 minute allotment at the end of the day to go in and check the walls and stalls for any type of graffiti as well as other anti-bullying practices. Nicole was hoping to get this curriculum on the BOCC agenda to see if we can implement it. Chelsea Parker will connect with Susan Domenighini to see if we can move forward with this idea.

3. FACULTY

3.1. Grade Level Report

Sarah Lee & Nick Meier

➤ Nick Meier shared the Grade Level Report via Google Slides. These slides can be found on our schools website under Parent Resources.

4. GOVERNANCE

4.1. Return to Brown Act Norms

Susan Domenighini

As we have communicated to the board and the school via ParentSquare, the governor has removed the emergency act around COVID-19. One of the changes this brought was a return to regular brown act procedures. Zoom is still available for members of the public to attend from wherever they'd like but the board will be returning fully on-site. We also have available space for members of the public to join on-site as well.

4.2. Finance Committee Report

Vicki Wonacott

- Michelle Green made a generous donation to the school which was approved in the consent agenda, The BOFC also looked at the Travel Expense Policy and recommended that the board approve it. The school likes working with the CLA audit firm and are hoping to approve it later today to keep using it for next year. The council will also be talking about the Form 700 later in the meeting which is an obligation for board members. Ryan Sanders is no longer a parent member on the Finance Committee and we finished the meeting with the directors report. Jim did mention that we are forecasting a financial pinch for the school soon. Things will be a little tight as we wait for funds to show up near the end of the school year; it is a timing issue really. The school also got approved for a grant for mental health services; we will be talking about that later.
- The grant for mental health services, the CCSPP grant, is for next year. It is the grant that Mandy Kling and Amber Bass worked on to design a better mental health system for Blue Oak. The BOCC approved the application of the grant and we just recently found out that we were awarded funds. The purpose of the planning grant is to focus on what we need; working with stakeholders in the area, establishing relationships, sending out surveys, collecting data, etc. It will cover the funds of staffing someone to do all of that work. We have noticed we have a lot of good pieces at Blue Oak, we just need to put them all together and this grant will help support us to do that. After the planning grant will come an implementation grant.
- The BOFC now has at least 4 seats for parents to sit on the Finance Committee. We haven't really gotten responses from all-call to the whole school so now we are asking teachers if they know any parents specifically who would be interested to make more of an individual ask. Kristen Woods will share with PC as well. Parents don't have to have a background in finance; it's mostly just a committee to make recommendations to the board. The BOFC meetings almost never run the full length of the scheduled meeting; they are typically only about an hour.

4.3. Parent Council Report

Kristen Woods

The PC talked about a few fundraising projects. One was a Cal Java fundraiser the other was the fundraiser for Ms. Jennifer. Nicole, the PC Chair, brought up the anti-bullying discussion earlier. Also, teacher appreciation week is coming up which is the second week of May. The May Faire is Saturday, May 6th.

4.4. Equity & Inclusion Task Force Report

Susan Domenighini

There has not been a meeting recently due to Susan's outages last month. We are continuing to do monthly school-wide assemblies, however. Also, the Pedagogical Team is still working on reviewing the curriculum-at-a-glance which outlines what curriculum is covered each year. The Pedagogical Team is looking specifically at social studies and science to ensure everything is well-rounded. The Task Force would specifically like to look more closely at the social studies as well to ensure our grades are covering world-wide cultures. Finally, both teams are working to update the curriculum-at-a-glance to formalize what we are already doing that isn't documented correctly.

4.5. COVID-19 Response

- The emergency related to COVID-19 has been lifted in California. There has also been a reduction in time in isolation; no more than 5 days and a negative test is not required to return to school/work. Therefore, there is a much lower need to announce COVID exposures in classrooms. There were still a few in February but not as many as we had in January. We initially added this as a regular agenda item during a time of constant change to keep up with all of the new requirements, however, it may no longer be necessary. The intention for this agenda item has changed so board members feel we do not need it on the agenda anymore.
- Chelsea Parker gave Susan Domenighini direction to no longer add the COVID-19 Response item on the agenda. Susan can include any updates on the agenda and/or in her report if she sees fit but for now, it is no longer required every meeting.

4.6. Policy Review

Moving forward, Susan Domenighini's goal is to try to write and share the standard operating procedures (SOPs) for each policy when they are approved so the board can see how we implement the policies. The SOPs need approval, it will simply just be informative.

4.6.1. Travel Expense Policy (2nd Reading)

- Chelsea Parker mentioned that a good addition to the SOP for this policy in particular is to require staff to submit the itemized receipts for their meal reimbursements to ensure the reimbursements are in compliance, such as not reimbursing for alcohol, etc. This is important for auditing. It would also be helpful to give staff a heads up in advance about this. The changes Susan Domenighini has made to this policy since the last reading include increasing the cost of reimbursements for meals as well as adjustments to lodging reimbursement rate as given direction by BOCC last time. This policy is originally based on the California State Human Resources policy and adjusted to match Blue Oak standards. We can always come back to review and adjust this policy as necessary with inflation, but this is a good starting point.
- Vicki Wonacott made a motion to accept the Travel Expense Policy. Laurel Hill-Ward seconded the motion.
- > No further discussion.
- ➤ Vote.

4.6.2. Health Care Emergencies Policy (1st Reading)

- Chelsea Parker appreciated the clarity in this policy. This policy was drafted by our School Nurse with the help of the Executive Director. We are working on procedures as we write this as well. To clarify the Do Not Resuscitate (DNR) section, school staff are not held to the same standards as health care workers when it comes to DNR rules; the Good Samaritan Law applies for school employees when helping in an emergency.
- > This is the first reading; no vote is required at this time.

4.6.3. Communicable & Infectious Diseases Policy (1st Reading)

- The document included in the packet was the SOP, not policy. The correct policy was presented during the meeting and will be posted on the website. The policy will also be brought back for a second reading at the next meeting. Susan Domenighini pointed out that the section regarding a doctor's note for absences is also included in the Attendance Policy. On that note, Amanda Hurd, the Assistant Director, is working on a new attendance plan for next year. Amanda will be sharing that with the board soon. We will talk with Natalie Wren, the School Nurse, to see if more diseases need to be added to the list or "etc" if needed.
- This is the first reading; no vote is required at this time.

4.7. Audit Firm Selection

- The firm selection is due to the county by the end of this month. CLA auditor firm has multiple auditors so they honor the recommendation of alternating auditors each year. This allows us to stay with the same firm but still have varying auditors. This went through the BOFC and is recommended we move forward with them.
- ➤ Kirsten Woods made a motion to approve the audit firm selection. Vicki Wonacott seconded the motion.
- > No further discussion.
- ➤ Vote.

4.8. Form 700

This is just a reminder to please get your Form 700 submitted. It is required by all board members to complete and is due at the beginning of April. If you haven't done it before, we can help you with it. CSDC also has resources for members to help; if you'd like the link, please reach out. You can look online for this form. This form reports each individual's assets, investments, and individual finances to ensure there are no conflicts of interest with the school.

5. ADMINISTRATION

5.1. Executive Director's Report

Susan Domenighini

➤ Susan Domenighini gave her Executive Director's Report via Google document. You can find this document on the schools website under Councils & Committees.

6. CLOSED SESSION

6.1. Executive Director Evaluation

Public Employee Performance Evaluation (§54957)

- The BOCC will not be holding a closed session tonight as we are still waiting to complete the evaluation. We will be tabling this item until the next meeting.
- 7. NEXT MEETING Tuesday, April 18th, 2023 at 6:00PM
- 8. ADJOURNMENT
 - ➤ Chelsea Parker adjourned the meeting at 7:45PM.

The funding selection impacts how your school receives revenue payments. All charter schools must be either directly or locally funded. For example: LCFF apportionment funds for a locally funded charter school flow through its local chartering authority whereas funds for a direct funded charter school may flow directly to the county treasurer and then to the charter school. However, the funding type decision may impact the amount of other state and federal funds that a charter school receives, outside the LCFF. This decision may be reconsidered on an annual basis. DATA	May-31	English Language Proficient Assessment - For public school students in California, English language proficiency (ELP) falls within the scope of state and federal laws. It is required that local educational agencies (LEAs) administer a state test of ELP, which for California is the ELPAC. Furthermore, state and federal laws require the ELPAC in California to be aligned with the state's English language development (ELD) standards. All students with an English Learner status must take the summative assessment.	BOCS	No	No	https://www.elpac.org/

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. The method we use to calculate the ADB and interest results in daily compounding of interest.

Paying Interest: Your due date is at least 25 days after the Closing Date of each billing period. We will not charge you interest on your purchases if you pay the New Balance by the due date each month. We will charge you interest on balance transfers (unless otherwise disclosed) beginning on the transaction date. You can avoid paying interest on the Amount Above the Credit Limit by paying your Minimum Payment Due before the closing date of the month in which it is due. See your Cardmember Agreement for further details.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will charge a fee of 2.70% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a

particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest
You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Board Policy: #5141.22

Section: Students Adopted: TBD Revised: None

COMMUNICABLE AND INFECTIOUS DISEASES

Blue Oak Charter Council desires to protect students from risks posed by exposure to infectious diseases while providing an appropriate education for all students. The Board recognizes that prevention and education are the most effective means of limiting the spread of infectious disease. All measures to limit the spread of infectious diseases shall be nondiscriminatory and ensure that equity is promoted

If the local health officer notifies Blue Oak Charter School (Blue Oak) of an outbreak of a communicable disease, or the imminent and proximate threat of a communicable disease outbreak or epidemic that threatens the public's health, the Blue Oak shall take any action that the health officer deems necessary to control the spread of the disease, and comply with all applicable state and federal privacy laws in regard to any such information received from the local health officer

Reporting

Reportable diseases, as defined by the state health department and designated on the communicable disease chart in the school clinic, will be reported to the local health department.

These diseases include chickenpox, measles, pertussis, meningitis, hepatitis A, shigella, salmonella, mumps, T.B., E. coli, COVID-19, and hepatitis B.

Students and staff shall observe universal precautions in order to prevent exposure to bloodborne pathogens and to prevent the spread of infectious diseases.

Students with Infectious Diseases

Students shall be excluded from on-campus instruction only in the case of causally transmitted diseases.

Parents/guardians are encouraged to inform Blue Oak if their child has an infectious disease so that school staff may work cooperatively with the student's parents/guardians to minimize the child's exposure to other diseases in the school setting. If necessary, the Executive Director or designee shall inform the local health official of any potential outbreak. Blue Oak will ensure that student confidentiality and privacy rights are strictly observed in accordance with law.

Board Policy: #5141 Section: Students Adopted: TBD

Revised: None

HEALTH CARE EMERGENCIES

Blue Oak Charter Council recognizes the importance of taking appropriate action whenever an emergency threatens the safety, health, or welfare of a student at school or during school-sponsored activities.

Blue Oak shall require parents/guardians to provide emergency information in order to facilitate immediate contact with parents/guardians if an accident or illness occurs.

Do Not Resuscitate Orders

Staff members should not be placed in the position of determining whether or not to follow any parental or medical "do not resuscitate" orders. Staff shall not accept or follow any such orders unless they have been informed by the Executive Director or designee that the request to accept such an order has been submitted and signed by the parent/guardian, supported by a written statement from the student's physician and an order from an appropriate court.

Accidents

Although Blue Oak makes every reasonable effort to prevent student accidents and injuries, accidents occur. The Executive Director or designee shall develop procedures to ensure that first aid and/or medical attention is provided as quickly as possible and that parents/guardians are notified of accidents. Universal precautions shall be observed whenever it is possible that students, employees, or others may have contact with blood or body fluids as a result of the accident.

Staff shall appropriately report and document student accidents.

Automated External Defibrillators

Blue Oak Charter Council authorizes the Executive Director or designee to place automated external defibrillators (AEDs) at the school site for use by school employees in an emergency. The authorization of AEDs in district schools shall not be deemed to create a guarantee that an AED will be present or will be used in the case of an emergency, or that a trained employee will be present and/or able to use an AED in an emergency, or that the AED will operate properly

Naloxone

It is the policy of Blue Oak Charter School to provide assistance to any person(s) who may be suffering from an opioid overdose following protocols and procedures of the National Association of School Nurses. Staff members trained in accordance with the policy shall make every reasonable effort, including the use of Naloxone combined with rescue breaths, to revive the victim of any apparent drug overdose.

Health Examinations, Immunizations, and Administration of Medications

Blue Oak Charter Council recognizes students have a variety of health needs that may need to be addressed as part of the school day.

Health Examinations

Periodic health examinations of students may lead to the early detection and treatment of conditions that impact learning. Health examinations also may help in determining whether special adaptations of the school program are necessary. In addition to verifying that students have complied with legal requirements for health examinations and immunizations before enrolling in school, the district shall administer tests for vision, and hearing as mandated by the state.

Immunizations

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Blue Oak Charter Council desires to cooperate with state and local public health agencies to encourage and facilitate the immunization of all students against preventable diseases.

Each student enrolling for the first time or enrolling in or advancing to grade 7 shall present an immunization record from any authorized private or public healthcare provider certifying that the student has received all required immunizations in accordance with the law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law. Transfer students shall be requested to present immunization records upon registration at district schools if possible.

Administration of Medications

Medication (both over-the-counter and prescription) may be administered by the school nurse or other designated school personnel only when the School Director/designee has received a complete medication authorization form signed by the student's physician and a parent/guardian.

School staff who administer medication, including Naloxone or epinephrine auto-injections, to students shall receive training from qualified medical personnel on how such medication should be administered as well as training in the proper documentation and storage of the medication.

Executive Director Susan Domenighini Blue Oak Charter

March 27, 2023

Email: sdomenighini@blueoakcharterschool.org

Dear Susan,

I would like to acknowledge and thank you for contributing your time, views, opinions, expertise, and ideas at the March 20, 2023, external community stakeholder meeting.

The process of improving our quality of services by establishing a community-driven component of our community risk assessment/standards of cover and community-driven strategic plan will be ongoing. Both processes include important community feedback designed to look at the current expectations and concerns that the community has, and it requires us to determine how our fire department can best meet those expectations and overcome the concerns.

The community structured stakeholder input session held on March 20 allowed us to gain a better understanding of our customers' expectations, identified community concerns, and identified our community's priorities regarding programs and services we provide. Your feedback from the instruments used has allowed us to understand the broader community perspective on how we are doing and how we may serve our community better.

In closing, thank you for your participation as we know it reflects your dedication and commitment to our community. As fire chief, it's my honor to serve this community and am proud our personnel are committed to delivering the highest quality fire, rescue, and emergency services to our community in a caring and professional manner. We thank you for taking an active approach to helping Chico Fire evolve to better serve our community.

Sincerely,

Steve Standridge

Fire Chief
