Food Pantry and Power Packs

We are thrilled to send home 10 bags of food items for our families in need this week on Friday! We are trying to include 1 dinner, 1 lunch, 1 breakfast for each bag.

We would love some donations of the following to make them even better:

Oranges

Apples

Bags of Cereal

Shelf Stable Milk

Toothbrushes/toothpaste

Snacks: bars, goldfish, crackers, etc

Please bring any pantry donations to the front desk. If you are in need and would like to be added to our Power Pack (weekend meal packs) list, please reach out to Amanda Hurd or Kelley Sexton to be added to the list. We appreciate your support with the Blue Oak Pantry.

Thank you NVIH Children's Oral Health !!!

Huge shout out to NVIH Children's Oral Health for donating 30 new toothbrush and toothpaste kits for us to include in our power packs and food pantry!

Spring Break Camp and Science Camp

Save the dates! We will be hosting a week long camp over Spring Break (March 18-22nd) and a week long camp after school gets out (June 10th-14th). The summer camp will be hosted through Camp Invention which is an amazing science based camp that will work on STEM (science, technology, engineering and mathematics) skills. Registration will go out for Camp Invention shortly but save the dates as it will be a ton of fun! Both weeklong camps will run from 8-5 pm at Blue Oak and will be **free** for all K-8 students.

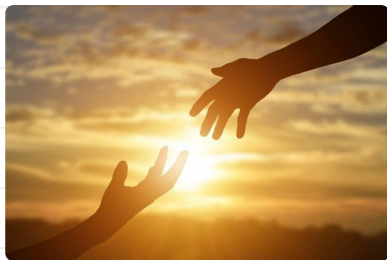

Coffee Tuesdays Resumes

Pumped Coffee Co is coming back to the Blue Oak front parking lot on Tuesdays from 7:30-8:30 am. There will be coffee, tea, smoothies and more to purchase! A percentage of sales will go back to Blue Oak. Card and cash welcome.

3rd Grade Feature

Third grade is finishing up Hebrew Legends and learning musical notation! We are getting ready for a showcase on March 13th that will feature a short class play of Joseph, a choir/recorder concert, and a gymnastics demonstration. We are feeling strong and colorful!

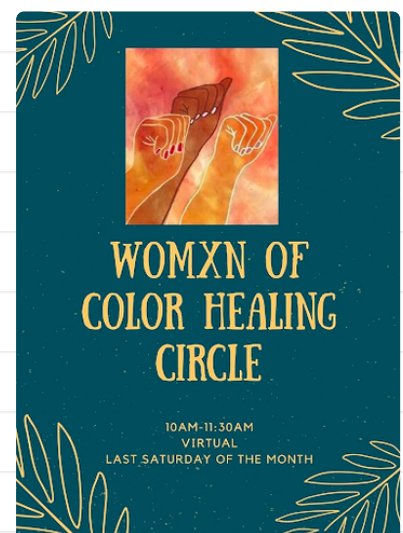

February virtue focus- Compassion
