Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

Paying Interest: Your due date is at least 25 days after the Closing Date of each billing period. We will not charge you interest on your purchases if you pay the New Balance by the due date each month. We will charge you interest on balance transfers (unless otherwise disclosed) beginning on the transaction date. You can avoid paying interest on the Amount Above the Credit Limit by paying your Minimum Payment Due before the closing date of the month in which it is due. See your Cardmember Agreement for further details.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will charge a fee of 2.70% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a

particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Billing Dispute Procedures

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

American Express, PO Box 981535, El Paso TX 79998-1535

In your letter, give us the following information:

- **Account information:** Your name and account number.

- **Dollar amount:** The dollar amount of the suspected error.

- **Description of Problem:** Describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.

- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we may not follow these procedures and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we will do two things:

1. Within 30 days of receiving your letter, we will tell you that we received your letter. We will also tell you if we have already corrected the error.

2. We will investigate your inquiry and will either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We will not try to collect the amount in question.

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.

- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.

- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may report you as delinquent if you do not pay the amount we think you owe.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Subject: water heater

To: Susan Domenighini <sdomenighini@blueoakcharterschool.org>

Hi Susan~

Here are three water heaters with pricing. I am leaning towards the one from Lowes as that is where I bought one a few years ago and had no problems with it.

Fergussons: AO Smith \$40 Gal \$942

 Lowes: AO Smith Sig 100 40.000 BTU \$558.10 

Home Depot: Rheem 40 Gal 36,000 BTU \$559.00

I can't front the money for it but I can pick it up and install it no problem.

Right now the whole west side of the building has no hot water.

Let me know what you'd like me to do.

BLUE OAK SCHOOL

Executive Director's Report

April 2024

Favorite Moments

On Friday, I went around the room, letting the children know Mr Meier would be on his way soon for Games time (if they needed to use the restroom). They spontaneously lined up and began singing their lineup song to await his arrival. 💖💖💖

Just put a bandaid on a stuffed animal. 😊

My favorite moment was when a former student stopped by the front office and completely surprised us all! It was so great to see him—he's grown so much and just looks genuinely happy. He also shared how much he misses being at Blue Oak.

CASPP Testing Begins

The next two weeks will be a focus on testing. Charging and organizing carts. Planning breaks and movement.

Middle School - Catalyst Presentations

This has become one of our annual presentations for grades 6-8. It is described as good, thoughtful conversations. Next, we will discuss drugs, smoking, and vaping. We encourage parents to talk with their children on the same topic this month. Parents are the first and most vital teachers.

Oral Health Assessments

We were able to host Butte County Heal Friday. All the classes received instructions and information on oral health, and oral assessments were given free. We are grateful to Butte County Health for the chance to add this new service to our families.

Waldorf Mentoring

Blue Oak continues to welcome Waldorf mentor Katherine Lehman. Good advice and conversations on the whys of what we do are happening. Each teacher who accepts her support finds simple ways to improve some of their practice. I have always loved the willingness of Waldorf teachers at Blue Oak to take the thoughts and ideas Waldorf mentors bring.

Differentiated Assistance & The LCAP

The Leadership Team met twice with the BCOE Differentiated Assistance team. The team worked through a set of questions to address where the concerns. We are now in the process of collecting data to share with the team. The next meeting will be on April 25th to review the data and begin the process of goal setting. This work will transfer to the LCAP. We are continuing the Community School work of collecting street data too.
