6. ADMINISTRATION

6.1. Executive Director's Report

Susan Domenighini

Summer Work Contracts, Cleaning, Set up, reporting, Master Schedule, planning...

Staffing Report - The ELA/ELD/Math Interventionist position is filled. Abigail Segobia comes to us with experience improving school test scores. We are excited to have her help at Blue Oak. We filled the open aide positions. We are still hiring for SPED, Music, and 6th grade. Some good options are coming forward. This is nerve-wracking, but it does take time.

Enrollment - I led three tours in the last week for 11 families. We have waiting lists for Kindergarten and 6th grade. Registration Days Registration days have been planned for August 12th, 7:30 am-10:30 am & August 13th from 5-7 pm. Can we depend on one or two board members to cover?

Staff Inservice is scheduled August 14 & 15

Team Building for staff with Healthy Play - The most natural way children learn is through play. "People are the most important part of the Game" quickly becomes "People are the most important part of everything." How we play reflects who we are and how we live. Children want & need to play. The desire to play is highly motivational. Through play, we "live" and internalize our actions, behaviors, self-and other awareness. The play reflects our authentic self.

https://healthy-play.com/about-healthy-play Summer School Schedule - July 29th-August 9th, 2024 We still have room!

7. CLOSED SESSION:

You can avoid paying interest on the Amount Above the Credit Limit by paying your Minimum Payment Due before the closing date of the month in which it is due. See your Cardmember Agreement for further details.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will charge a fee of 2.70% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a

particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1,00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

Total Interest Charged for this Period

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Request for Separation-From-Service Requirement Exemption—Information and Instructions

Read the instructions carefully before completing the form.

If all sections are not completed or if the minimum requirements are not met, the retired member will be subject to the separation-from-service requirement.

Use this form to request an exemption from the separation-from-service requirement, also known as the zero-dollar earnings limit, for a CalSTRS retired member who has reached normal retirement age (age 60 for CalSTRS 2% at 60 members; age 62 for CalSTRS 2% at 62 members) and is hired to fill a critically needed position during the first 180 calendar days following the member's most recent retirement date.

MINIMUM REQUIREMENTS

- CalSTRS must receive the exemption form prior to the retired member performing any activities for this requested exempted position.
- The retired member must be of normal retirement age when the compensation is earned.
- The retired member did not receive any financial inducement to retire from any public employer, including, but not limited to, receiving additional service credit through the CalSTRS Retirement Incentive Program.
- The appointment is necessary to fill a critically needed position before 180 calendar days have passed from the retired member's most recent retirement date.
- The retired member's termination of employment is not the basis for the critically needed position.
- The position has been approved by the employer's governing body in a public meeting.
- The governing body adopted a resolution showing the approval of the position and the intent to seek an exemption.
- The resolution was adopted prior to the retired member performing duties.

EXEMPTION START AND END DATE

The exemption start date is the first day of employment in the position, no earlier than the date CalSTRS receives this form. The exemption end date is no later than 180 calendar days after the member's most recent retirement date.

A separation-from-service requirement exemption is not an exemption from the fiscal year postretirement earnings limit. Visit CalSTRS.com for more information about working after retirement restrictions and limits.
