

BLUE OAK SCHOOL

A WALDORF-INSPIRED PUBLIC CHARTER (K-8)

PARENT HANDBOOK

2024-2025 SCHOOL YEAR

This handbook is an overview of Blue Oak School's procedures, policies, and guidelines. It is meant to inform families and address the most frequently asked questions. The handbook is a living document and may be updated and changed as necessary.

Welcome to Blue Oak School!

Congratulations on finding this unique educational option for North Valley students in transitional-kindergarten through eighth grade.

Blue Oaks Waldorf-inspired methods are intended to bring out the creativity, awareness, and social responsibility necessary for children to learn to engage successfully and positively with their world.

This handbook is intended as an overview of the information, rules, and responsibilities that help us work together to achieve our goals. Please take a moment to read it through carefully and keep it handy for reference. This handbook may change on occasion as circumstances change so check the website edition if any concerns come up.

We thank you for joining us in this venture.

Warmly,

*Susan Domenighini and Amanda Hurd
Executive Director and Assistant Director*

***The need for imagination, a sense of truth, and a feeling of responsibility—these three forces are the very nerve of education.”
-Rudolf Steiner***

School Vision & Mission

To be a model for successful education of the whole child; to nurture and deepen each child's academic and creative capacities using methods inspired by Waldorf education in a public school setting.

School Verse

*“This is our school.
May peace dwell here.
May the rooms be full of contentment.
May love abide here,
love of one another, love of our school, and love of life itself.
Let us remember,
that as many hands build a house,
so many hearts build a school.”*

Values/Virtues

<i>Virtues</i>				
Hold REVERENCE <i>Monday</i>	Have COURAGE <i>Tuesday</i>	Build FRIENDSHIPS <i>Wednesday</i>	Seek WISDOM <i>Thursday</i>	Show COMPASSION <i>Friday</i>

Goals

- To inspire children to grow and learn by using a developmentally based curriculum, active learning, integration of the arts, and rigorous academic instruction that aligns with state standards
- To prepare children for active and ethical citizenship by using instruction that measures and guides critical thinking, self-awareness, intellectual curiosity, creative imagination, and social responsibility.
- To enable each student to demonstrate proficiency in English-Language Arts, mathematics, science and social sciences.
- To ensure a comprehensive and complete education for students in each year of enrollment, such that students who leave Blue Oak will be well prepared to attend any school they choose

and students who join Blue Oak at any grade level will be welcomed and supported in their transition into our program.

- To prepare students to transition into High School, as creative and engaged adolescents.
- To develop a lifelong love of learning by honoring daily and seasonal rhythms and by teaching subject matter when children are at the appropriate developmental stage for learning.
- To enable pupils to become or remain self-motivated, competent and lifelong learners.
- To attract, develop, and retain highly-effective, adaptable faculty, staff, and administrators
- To foster a strong community of parents, teachers, and staff, who collaborate to create a supportive and healthy Blue Oak School learning environment.

Diversity, Equity, and Inclusion

During the summer of 2020, our country experienced a turning point in how we view race, racism and the dangerous ideology of white supremacy. Since the death of George Floyd, people and institutions all over the world have begun to face the huge and daunting task of dismantling harmful policies and practices related not only to racial/ethnic backgrounds, culture and language, but also to gender and its expressions, sexual orientation, family structure, cognitive or physical ability, economic class, and religion. In order to change harmful biases around identity, we first have to recognize that there is a problem.

As a Waldorf inspired public school, Blue Oak is taking this task of reevaluating our policies and practices around equity very seriously. We recognize the importance, value, and strength of a diverse and inclusive school culture, community, and staff. As an institution, we are actively challenging ourselves to root out discriminatory practices and policies so that we may meet the needs of all in our care. The educational teachings of Rudolf Steiner help inform our unique curriculum delivery; at the same time we use critical thought to examine what is brought to the students and how we bring Waldorf methods to the public school environment.

As our school grows and changes, we strive to adhere to the following quote:

"Receive the children in reverence; educate them in love; let them go forth in freedom."

- R. Steiner

Hours of Operation, Extended Day Options, and Map

Kindergarten 8:30 am - 12:30 pm

Grades 1 to 3 Full-day schedule 8:15 am - 3:00 pm

Grades 4 to 8 Full-day schedule 8:15 am - 3:05 pm

* Thursdays for all grades, 8:15 am - 12:45 pm

Extended Day Before School

Student drop off begins daily at 7:15 am in the Great Room.

Extended Day After School

Clubs will run daily (except Thursday's) until 4:15 pm

- Club sign ups will be published on the school website & Parent Square

Thursday Extended Day will run 12:45-4:15 pm

KinderCare will run daily 12:30-4:15 in the KinderCare room

Sign up will be required for all after school extended day options. Sign up will be on Jack Rabbit. Reach out to the front office with any registration questions!

Governance

The school is collaboratively governed by 3 main groups, the Faculty, the Parents, and the Charter Council; with Administration serving as the facilitating body. CUSD is our charter granting agency, but they are not involved in our day-to-day school governance.

Charter Council (BOCC)

Our school is governed by a 7 member Charter Council with 3 parent representatives and 4 community members. The BOCC is the entity which is held accountable for the operations of the school. It is the responsibility of the Charter Council to develop policies and put them in writing, so they serve as guidelines and goals for the successful and efficient functioning of the school. The BOCC meets regularly on the school campus. These meetings are currently scheduled for the 3rd Tuesday of each month at 6 pm unless otherwise notified. These are public meetings. If you are interested in learning more about the inner workings of our school, these meetings will give you some insight. Agendas for regular meetings are posted at the front of the school three days prior to the meeting date, with the exception of special meetings, which require 24 hours notice.

Advisory Committees

The Blue Oak Charter Council and Administration are supported by a variety of committees acting as advisory bodies. Parents, Faculty, Classified Staff, Charter Council and Administration are represented or engaged in these committees.

The following are the current committees or councils:

Finance - The Finance Committee reviews all issues related to the budget and financial planning. The committee meets monthly approximately a week before the BOCC meetings.

Facilities/Safety - The Facilities/Safety Committee reviews all issues related to the current and potential new facilities. It also reviews and completes the annual safety plan.

Parent Council (PC)

The Blue Oak Parent Council (or PC) is made up of parent representatives from each classroom, and 3 to 4 additional officers. The PC acts as the facilitating group for the whole parent body, helping to organize events, fundraising efforts and parent enrichment evenings. If you would like to be involved in the school's leadership, the PC is one avenue for that. The PC meets monthly on the first Tuesday at 6 pm, unless otherwise notified. Anyone is welcome to attend

these public meetings. Meetings are a forum for discussion regarding matters which concern our community life and our school. In addition to parents, there is also a Faculty Rep., Administrative Rep., and a Charter Council Rep. present at the meetings.

Ad Hoc Committees/Teams/Advisories

Other Committees, teams, or other collaborative groups, are developed on an as needed basis.

Attendance & Absences

Attendance Makes the Difference!

We encourage families to support students to attend each and every day of the school year that they can. If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers. It's not only unexcused absence, but any absence. Though some absences are unavoidable, and we want to encourage students to stay home if they are not well, it is important to be aware that missing too much school can have serious consequences.

Attendance Awards

Excellent attendance, considered at 98% or above recognized and awarded throughout the school year. Classroom awards and recognition occur monthly as well as various attendance spirit days, rallies and incentives periodically throughout the year.

Excused Absences

- An illness that involves fever, vomiting, injuries, serious allergies, or situations when a physician recommends the students are absent from school
- Medical or dental appointments which cannot be scheduled outside the school day
- Religious Holidays
- Court ordered absences

Other unusual circumstances when approved by the administrator and requested in advance

Procedure for Chronic (Excessive) Absenteeism

Chronic Absence is defined as missing 10% (18 days) or more of school and includes both excused and unexcused absences. Absenteeism and its ill effects start early. Poor attendance can influence whether children read proficiently by the end of third grade. By 6th grade, chronic absence becomes a leading indicator that a student will drop out of high school.

If your child misses more than one day of school during any 4 week period you will be contacted to help review what issues may be occurring that are keeping your child from school,

and to support you in addressing them. If this pattern continues more formal communication, offers of support and meetings will be scheduled.

Unexcused Absences

- Minor colds and congestion where no fever is present
- Minor allergies
- Long weekends and vacations
- Moving days (change of residence)
- Transportation problems
- Appointments for non-essential activities such as haircuts

Procedure for Unexcused Absences

- After 3 unexcused absences, a letter of truancy will be sent home
- After 4 unexcused absences, a second truancy notice may be sent home and parents will be invited to attend a conference to discuss resolution of the truancy problem.
- After 5 unexcused absences, the student may be declared a habitual truant and another parent conference will be scheduled. If suggested alternatives to reach a resolution of the truancy problem are not followed through responsibly and successfully, the problem will be reviewed and consideration will be given to pursue a course of legal action. This may include disenrollment from Blue Oak and returning the student to their home district.

Planned Absences/Independent Study

If you know your child has a “planned absence” of two days or more, please arrange for them to go on short-term Independent Study for the duration of their absence. This will ensure that your child is not considered absent and they can keep up with their school work. It also allows the school to continue to receive state funding. The maximum days this will be available in any one school year is 15 without application and approval by the Executive Director.

Independent Study

Blue Oak Charter Council authorizes independent study as an optional alternative instructional strategy for students whose needs may be best met through study outside of the regular classroom setting. Independent Study shall be for students whose health or other personal circumstances make classroom attendance difficult. The independent study option is to be substantially equivalent in quality and quantity to classroom instruction. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study.

A student's participation in independent study shall be voluntary.

Independent study for each student shall be under the general supervision of a Blue Oak employee who possesses a valid certification document pursuant to Education Code 44865 or an emergency credential pursuant to Education Code 44300. Students' independent study shall be coordinated, evaluated, and documented, as prescribed by law.

The minimum period of time for any independent study option shall be two consecutive school days. If more than 15 days in any school year are required to support the student this will be approved by the Executive Director or appointed designee.

General Independent Study Requirements

For the 2024-2025 school year and thereafter, the Executive Director or designee may continue to offer and approve independent study for an individual student upon determining that the student is prepared to meet the Blue Oak's requirements for independent study and is likely to succeed in independent study as well as or better than the student would in the regular classroom setting.

Because excessive leniency in the duration of independent study assignments may result in a student falling behind peers and increase the risk of dropping out of school, independent study assignments shall be completed no more than one week after assigned for all grade levels and types of program. However, when necessary based on the specific circumstances of the student's approved program, the Executive Director or designee may allow for a longer period of time between the date an assignment is made and when it is due, up to the termination date of the agreement.

An evaluation shall be conducted to determine whether it is in a student's best interest to remain in independent study whenever the student fails to make satisfactory educational progress and/or misses three assignments. Satisfactory educational progress shall be determined based on all of the following indicators: (Education Code 51747)

1. The student's achievement and engagement in the independent study program, as indicated by the student's performance on applicable student-level measures of student achievement and engagement.
2. The completion of assignments, assessments, or other indicators that evidence that the student is working on assignments
3. Learning required concepts, as determined by the supervising teacher
4. Progress towards successful completion of the course of study as determined by the supervising teacher

The Executive Director or designee shall ensure that students participating in independent study are provided with content aligned to grade level standards at a level of quality and intellectual challenge substantially equivalent to in-person instruction.

The Executive Director or designee shall ensure that students participating in independent study for 15 school days or more receive the following throughout the school year.

1. For students in grades transitional kindergarten, kindergarten, and grades 1 to 3, opportunities for daily synchronous instruction
2. For students in grades 4-8, opportunities for both daily live interaction and at least weekly synchronous instruction

The Executive Director or designee shall ensure that procedures for tiered reengagement strategies are used for all students who are not generating attendance for more than three school days or 60 percent of the instructional days in a school week, or who are in violation of their written agreement. This requirement only applies to students participating in an

independent study program for 15 school days or more. The procedures shall include, but are not necessarily limited to, all of the following:

1. Verification of current contact information for each enrolled student
2. Notification to parents/guardians of lack of participation within one school day of the absence or lack of participation
3. A plan for outreach from the school to determine student needs, including connection with health and social services as necessary
4. A clear standard for requiring a student-parent-educator conference to review a student's written agreement and reconsider the independent study program's impact on the student's achievement and well-being

The Executive Director or designee shall develop a plan to transition students whose families wish to return to in person instruction from independent study expeditiously, and, in no case later, than five instructional days. This requirement only applies to students participating in an independent study program for 15 school days or more.

The Executive Director or designee shall ensure that a written master agreement exists for each participating student as prescribed by law.

The district shall provide written notice to the parents/guardians of all enrolled students of the option to enroll their child in in-person instruction or independent study during the 2021-22 school year. This notice shall be posted on the district's web site, and shall include, at a minimum, information about the right to request a student-parent educator conference before enrollment, student rights regarding procedures for enrolling, disenrolling, and re enrolling in independent study, and the instructional time, including synchronous and asynchronous learning, that a student will have access to as part of independent study. (Education Code 51747) CSBA

Upon the request of the parent/guardian of a student, before making a decision about enrolling or disenrolling in independent study and entering into a written agreement to do so, the district shall conduct a telephone, videoconference, or in-person student-parent-educator conference or other meeting during which the student, parent/guardian, or their advocate may ask questions about the educational options, including which curriculum offerings and nonacademic supports will be available to the student in independent study.

Written agreements may be signed using an electronic signature that complies with state and federal standards, as determined by the California Department of Education (CDE).

The parent/guardian's signature on the agreement shall constitute permission for the student to receive instruction through independent study.

Student-Parent-Educator Conferences

A parent-educator conference shall be held as appropriate including, but not limited to, as a re-engagement strategy and/or if requested by a parent/guardian prior to enrollment or disenrollment from independent study.

An evaluation of continued enrollment shall be conducted to determine whether it is in a student's best interest to remain in independent study whenever the student misses three school days of instruction/assignments, unless the student's written agreement specifies a lower or higher number of missed assignments based on the nature of the assignments, the total number of assignments, and/or other unique circumstances.

Tardies

There is an important rhythm to each school day, with an opening and a closing activity. It is extremely important that your child arrives at school on time to benefit from the entire class day. If your child is late, the child must get a tardy slip in the front office before going to class. If they arrive at the classroom and the door is closed, you (or your child) must knock and wait for the teacher to invite you in. This is done so that the class activity at hand is not unduly disrupted for the other students.

Unexcused Tardies

If a student arrives more than 30 minutes late without a valid excuse, it is considered an unexcused tardy. A staff or faculty member will call home as soon as a pattern emerges. Upon the 4th unexcused tardy, or early departure, a letter may be sent home, and a conference scheduled to establish a plan to support the students on time arrival.

Truancy

A student who is absent or tardy from school without a valid excuse in excess of thirty (30) minutes or more per day, for four different days or more, during the school year, will be declared truant, and the parents will be notified of their obligation to resolve the truancy problem. * See *Procedures for Unexcused Absences above*.

For more information on attendance and how it affects students visit:

<https://www.attendanceworks.org/>

Behavior Expectations

Waldorf includes the importance of virtues in building the strength of the community. Our faculty have chosen five virtues (Reverence, Courage, Friendships, Wisdom, and Compassion) and built a Behavior Matrix.

Virtues	Classrooms	Hallway	Bathroom	Cafeteria	Outside
Hold REVERENCE	<p>Follow dress code</p> <p>Enter rooms quietly</p> <p>Come prepared with materials needed</p> <p>Raise your hand to speak</p> <p>Listen and follow directions</p> <p>Treat materials and furniture with tidiness and care</p>	<p>Walk slowly, face forward, and stay in an orderly line</p> <p>Join your class in song or remain quiet</p> <p>Keep hands and body off the walls</p> <p>If it's not yours, don't touch it</p>	<p>Keep the stalls, floors, and counters clean and dry</p> <p>Avoid lingering, return to class quickly</p>	<p>Keep salad bar, walkways, and counters clean</p> <p>Be Mindful of kindergarteners listening to story</p>	<p>Help protect our Peaceful Thoughtful Garden and other parts of nature</p> <p>Pick up litter and garbage</p> <p>Keep cell phones off, tucked safely away</p>
Have COURAGE	<p>Ask questions and seek help from others</p> <p>Try new experiences with a positive attitude</p> <p>Practice, practice. Don't give up!</p> <p>Participate in activities and class discussions</p>	<p>Feel comfortable walking by yourself or request a buddy</p> <p>Remind others of our school's virtues</p> <p>Go directly to your destination</p>	<p>Set a good example</p> <p>Speak up when you don't feel comfortable</p> <p>Report problems to an adult</p>	<p>Try new foods on the menu and in your lunch basket</p>	<p>No Rough Play</p> <p>Challenge yourself to reach new goals physically</p> <p>Line up as soon as the bell rings</p>
Build FRIENDSHIPS	<p>Use a kind, calm voice, and wholesome language at all times</p> <p>Keep hands, feet, and objects to yourself</p>	<p>Allow space for others</p>	<p>Use manners</p> <p>Wait your turn</p>	<p>Get to know the yard duties and lunch server</p> <p>Get to know children from other classes</p>	<p>Help coach others how to play games and use playground equipment</p>

Seek WISDOM	Be on time	Observe what others are learning in hallway galleries	Take care of your body	Learn the seasonal am/pm menu	Learn the rules to recess games and follow them honestly
	Complete your classwork and homework on time	Read posters and take-home fliers to stay informed and involved	Go, flush, wash, dry	Memorize your lunch ID number	Use playground equipment appropriately
	Respond to direction in a respectful manner		Use only the water and paper towels you need		
Show COMPASSION	Listen closely to others' questions	Help tie shoes	Respect privacy	Stop and help someone if their food or drink spills	Invite new friends to join you
	Give thinking and speaking time to others without interrupting	Be polite at the drinking fountain	No peeking, locking doors, or turning off the lights		Be encouraging to others
	Be patient when others need more time				Remember to STOP, WALK, and TALK when you are upset

Discipline

We strive for clarity in our behavior expectations. We look to Simplicity Parenting for inspiration and strategies as we respond to student behavior. We encourage parents to learn more about it at <https://www.simplicityparenting.com>

Blue Oak Leaves

Blue Oak leaves are part of our schoolwide Positive Behavior Interventions and Support (PBIS) system. Students can earn leaves through a variety of ways - displaying one of the virtues, coming to class/school on time, completing a kind act, having a great answer in class, helping a classmate out and more.

Students can redeem Blue Oak leaves throughout the school year at Blue Oak leaf parties, through their classroom reward system (dependent on each teacher) and through our school-wide Blue Oak Leaf store. The school-wide store will be open periodically each month.

Inappropriate Behavior

Students sometimes need correction. We have identified 3 Levels of behaviors that may need to be addressed specifically with students and potentially families and administration. Blue Oak staff log behavior referrals using a platform called Educators Handbook. Parents do not have access to Educators Handbook but will receive physical copies of the referral(s). Level 2's will be sent home at the discretion of the classroom teacher while level 3's will be sent home by administration. Please read and acknowledge the referral with your child. We want to promote a

positive learning environment where students can learn from their mistakes. Your support is greatly appreciated in this.

Level 1: Is addressed verbally by the staff member who has witnessed them, a written note is not made, parents are not notified for the below behaviors:

- Name Calling
- Running in the Halls
- Being Disrespectful
- Being Dishonest
- Rough Play
- Not Staying in Seat
- Shouting Out
- Not Raising Hand
- Being Off Task
- Excluding Others
- Rumors
- Being Disruptive (infringing on others learning)
- Arguing
- Refusing to follow requests
- Wandering Classroom

If any of these continue or are repeated 3 times within a class period the teacher may decide it is time to inform the parents or guardian. A level two notification will be written.

Level 2: Is addressed with a written notification to be sent home to parents/guardians. It is completed by the staff member who has witnessed one of the below:

- Telling untruths to avoid responsibilities or consequence
- Deliberate attempt to deceive
- Profane/Obscene language
- Verbal Aggression
- Cheating
- Stealing from others
- Throwing or shoving materials or furniture to the floor

If any of the above-listed behaviors are repeated 3 consecutive times in a day, it may then be considered a Level 3 behavior and will be reported as such to administration.

Level 3 is addressed by the Administration. A written referral notice is completed by a staff member for any of the below behaviors. The student is brought to the front office. The Executive Director or designee will investigate and call parents by the end of the work day if further action is warranted.

- Behavior intended to bring harm to themselves or others
- Fighting/Kicking/Hitting/Biting/Spitting

- Throwing or shoving furniture or school property repetitively to the ground or at someone
- Stealing from school property or teacher or anything of monetary value
- Vandalism – Altering, defacing, or destroying other's/school property
- Verbal or written threats of physical or emotional harm
- Malicious teasing/taunting/spreading rumors with the intent to embarrass others or cause fear
- An illegal act that break California Law (drugs, alcohol, weapons, physical assault, sexual harassment)

A level three referral does not mean an automatic suspension. Staff and administration collaborate to determine the most appropriate consequence

Student Bullying Policy

Bullying is unwanted negative behavior, verbal, psychological or physical conduct, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behavior are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, and bullying of those with disabilities or special educational needs.

Blue Oak Charter School will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes:

- direct physical contact, such as hitting or shoving, or tripping
- verbal assaults, such as teasing or name-calling
- social isolation or manipulation
- Damage to property of the victim

Blue Oak Charter School expects students and/or staff to immediately report incidents of bullying to administration or designee. Staff who witness such acts take immediate steps to intervene when safe to do so. Each complaint of bullying will be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the Teacher, Administration, or designee.

Suspension & Expulsion

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off campus; d) during, going to, or coming from a school-sponsored activity. Blue Oak follows the education code as outlined in our Charter.

Sexual Harassment

Blue Oak is committed to maintaining an educational environment that is free from harassment. Sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities is prohibited. Students found guilty of sexual harassment will be suspended and possibly expelled. Definition of sexual harassment: Any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical contact of a sexual nature made by someone at school.

Cell Phones

Blue Oak School campus is a cell phone free zone. Students are not permitted to have cell phones out while on campus, inside or outside of the building. Students may use the front desk phone if they need to reach their parents. If a child is found using a cell phone, it will be taken and held at the front office. In sixth through eighth each classroom has a cell phone lock box. It will be returned at the end of the day. We also ask that all adults follow this rule while inside school hallways, classrooms and playgrounds.

Clothing

All students should be able to dress comfortably for school without fear of unnecessary discipline or body shaming.

When choosing school clothing please consider the child's safety in an environment that encourages and expects movement and creative expression during the day.

Children are inundated with advertisements in their daily lives. Waldorf schools discourage media images and catchy slogans in order to support the creativity of the individual child.

Before your child walks out the door, please make sure he/she is wearing appropriate clothing. Students' clothing should be safe for themselves and for the children around them. Therefore, the following guidelines have been established:

- Clothing should be casual and fit loosely to allow for movement and play throughout the day.
- Shoes should be safe and appropriate for recess and PE. Closed-toed shoes are best for school. Flip-flops, shoes without a heel strap, dress shoes, or shoes with high heels are not safe. In addition, light up shoes are not appropriate.

- Shirts must have a strap that is a minimum of 1 inch wide. All parts of the stomach must be fully covered without pulling or tugging. See-through clothing is not appropriate for school.
- Students may wear shorts or skirts that fully cover the buttocks, including when moving in games. Pants, skirts, and shorts must be worn so as not to expose undergarments or the stomach.
- Clothing that displays vulgar language, gang symbols, promotes drugs, alcohol, or other inappropriate or illegal messages is not permitted. This includes hate speech and comments that may be considered derogatory or disparaging of any group.
- Bracelets and other dangling jewelry can tangle in play equipment and cause injury.
- Hats are permitted if they meet all the dress code requirements - Faculty may require them to be removed during the class time.

Suicide Prevention

If you know of a student in crisis, please immediately contact your Teacher, School Counselor, or another trusted adult at school or home. Blue Oak recognizes that suicide is a leading cause of death among youth and that school personnel who regularly interact with students are often in a position to recognize the warning signs of suicide and to offer appropriate referral and/or assistance. To attempt to reduce suicidal behavior and its impact on students and families, Blue Oak has developed measures and strategies for suicide prevention, intervention, and postvention. Such measures and strategies include, but are not limited to:

- Staff development on suicide awareness and prevention for teachers, school counselors, and other school employees who interact with students
- Instruction to students in problem-solving and coping skills to promote students' mental, emotional, and social health and well-being, as well as instruction in recognizing and appropriately responding to warning signs of suicidal intent in others
- Methods for promoting a positive school climate that enhances students' feelings of connectedness with the school and that is characterized by caring staff and harmonious interrelationships among students The provision of information to parents/guardians regarding risk factors and warning signs of suicide, the severity of the youth suicide problem, the district's suicide prevention curriculum, basic steps for helping suicidal youth, and/or school and community resources that can help youth in crisis
- Encouragement for students to notify appropriate school personnel or other adults when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions
- Crisis intervention procedures for addressing suicide threats or attempts
- Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning youth.

Homework Policy

The Blue Oak Charter Council supports the use of homework in the educational life of the child. Homework should be used as a tool to:

- Build healthy habits, life skills, and time management skills;
- Support classroom lessons;
- Enable students to complete unfinished work;
- Review and apply academic content for better understanding.

Homework is intended to be relevant to the content being covered in the curriculum and meeting the child's developmental needs, not to be brought as new information.

Kindergarten – Suggest to families to encourage their child to spend time in nature, in movement, in imaginative play, visiting the library, and helping with household chores. Parents should be reading to their children every day.

Grades – The level of homework increases through the grades to match the developmental stage of the child. If your student is averaging more than 10 minutes a day per grade level (10 minutes for first, 20 for second, and so on) please contact your child's teacher to review the assignments and workload.

At the beginning of the school year teachers will inform students, and parents/guardians of homework expectations.

Although the homework assignment is the responsibility of the student, parents/guardians are expected to ensure homework is completed. If a student repeatedly fails to turn in homework the teacher will contact the parents as soon as possible so that corrective action can be taken prior to final grades being submitted.

Teachers shall review completed homework to assess the student's understanding and to give timely feedback. Homework is not graded

Emotional Support Counseling Services

There are times when we all need some extra support. Blue Oak is committed to helping students and families learn to be aware of their emotional needs and find help when they need it.

Counseling Referrals

A parent or teacher may feel a student would benefit from a discussion with a counselor. A referral process has been established for this purpose, which will always include contacting the parent or guardian. Please discuss this with your child's teacher or stop by the front office for more information.

Friendship/Greatness Groups

Grouping students that support the development of social skills will occur during the school year. These groups address bullying prevention and help students break down communication barriers that can lead to misunderstandings, and social difficulties. Students are placed in groups based on teacher and staff referral. Parent permission is required.

Communications

Communication between parents and school is vital. The school number is (530) 879-7483, your call can be forwarded to the voicemail of an appropriate staff member. **Please note, calls for teachers during school hours will not be transferred to their extensions. A written message will be taken and delivered to the teacher at an appropriate time.*

We value direct communication lines. Anytime that you have concerns or questions about your child, please speak to your student's teacher. If you find that your concerns are not being met after first approaching issues directly, you may bring your concern to the appropriate Administrator. The front office can also help you identify whom you should speak to next. Fostering understanding and to resolve conflicts as they arise is important for all of us.

Communication tools

Blue Oak utilizes "Parent Square" as our main communication tool. This is a safe and secure platform for school-to-home communication. The two-way group messaging, private conversations, school-wide alerts and notices, and simple user interface keeps everyone connected, creating a vibrant school community. To sign up for this service and make sure your contact information is current and correct please check in with the front desk.

Other methods used to communicate with Blue Oak families include:

- Home visits
- the Acorn - Weekly e-news regarding school activities
- Report cards and Parent Conferences
- Classroom newsletters
- Student work samples
- Class Meetings
- Monthly Parent Council, Blue Oak Charter Council, Finance Committee, Facilities Committee, Charter Review Committee meetings
- Automated phone calls
- Automated Texts

Home Visits

Classroom teachers will schedule Home Visits with each new student's family. These visits help create a special teacher-child bond and strengthen the connections between teacher and parents. They also give the children an opportunity to share their home life with their teacher.

Class Meetings

Most important to your student is the connection to their class and teacher. Throughout the school year, your classroom teacher will schedule class parent meetings. Class meetings are in addition to parent-teacher conferences. Specifics on what is going on in the class, field-trip information and other events are discussed. Childcare providers such as nannies and grandparents are welcome to attend.

Report Cards/Parent Teacher Conferences

Report cards are completed at the end of each semester. In addition to a scaled (number or letter grades) report, teachers will include comments about your child's progress. A parent is always welcome to schedule a meeting with their child's teacher to discuss a report card. Progress reports will be sent home twice a year; midway between each semester. The first progress reporting period is aligned with parent conferences in November. This is an opportunity for you to meet with your child's teacher to discuss your child's academic and social-emotional development. It is essential that you participate in your child's educational experience in this way. Your teacher may schedule additional conferences and you are always welcome to schedule a conference with your child's teacher.

Emergency Procedures/School Safety

In the case of an emergency at the school, such as a fire or lock down, parents and guardians will be informed through Parent Square and the One Call system. Please make sure your contact information is correct in Aeries.

For further information please see the [Safety Plan posted on our website.](#)

Compliance with Gun Safety Education Requirements

Students, parents, and educators recognized the importance of practicing responsible gun ownership and safety, beginning by keeping all guns and ammunition secured where children cannot access them. Safely locking up or disabling firearms when they are not in the owner's immediate control is highly effective in reducing gun violence and has been found to be the single most effective gun safety measure enacted by states and municipalities.

In compliance with AB 452 & SB 906, Blue Oak shall annually inform parents and guardians of California's child access prevention laws and laws relating to the safe storage of firearms at the beginning of the first semester or quarter of the regular school term. Blue Oak will also report homicidal threats or perceived threats, as defined, to law enforcement.

Standardized Testing

Blue Oak annually participates in California's Assessment of Student Performance and Progress (CAASPP). While we do not believe these tests are accurate in measuring the whole child, they

are required, and provide the district and us with useful data, which helps us to serve our students well. Students in grades 3 - 8 take the California Standards Tests in both Language Arts and Mathematics during the designated testing period generally scheduled for April. This year 5th and 8th graders will also participate in the field test of California Science Test (CAST). Individual student results are provided to parents for review. These results are used as part of the assessment process to determine the individual and group needs as well as to inform our instructional goals and the district as to how our students are performing. Below is a statewide testing notification of each assessment:

CAASPP Information

The California Assessment of Student Performance and Progress (CAASPP) tests consist of the following:

- Smarter Balanced Assessment Consortium Assessments

The Smarter Balanced computer adaptive assessments are aligned with the Common Core State Standards (CCSS). English language arts/literacy (ELA) and mathematics tests are administered in grades three through eight and grade eleven to measure whether students are on track to college and career readiness. In grade eleven, results from the ELA and mathematics assessments can be used as an indicator of college readiness.

- California Science Tests (CAST)

The computer-based CAST measures students' achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve).

- California Alternate Assessments (CAAs)

Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors.

Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS. Students taking the CAA for Science will take three embedded performance tasks in spring 2019.

- California Spanish Assessment (CSA) for Reading/Language Arts

The optional CSA for Reading/Language Arts in Spanish is aligned with the California Common Core State Standards en Español. This computer-based test allows students to demonstrate their Spanish skills in listening, reading, and writing mechanics.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their child from any or all of the CAASPP assessments.

ELPAC Information

English Language Proficiency Assessments for California

California will transition from the California English Language Development Test (CELDT) to the English Language Proficiency Assessments for California (ELPAC) in 2017–18. The ELPAC is aligned with the 2012 California English Language Development Standards. It consists of two separate English Language Proficiency (ELP) assessments: one for the initial identification of students as English learners and the other for the annual summative assessment to identify students' English language proficiency level and to measure their progress in learning English.

Physical Fitness Test Information

The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.

Academic Probation/Middle School

While academic progress is not the only sign of student success, it is a crucial component. Middle school teachers will be updating grades regularly. At this time, any student who is receiving a grade of D or F in one of the main subject areas (math, ELA, science, history, specialties) will be placed on academic probation. Parents will be notified of student placement on academic probation via email and letter home.

Academic Probation will include the following:

- 1) Lunch study hall
- 2) Mandatory catch-up room during Elective period (until assignments are completed)
- 3) Mandatory after school Homework Club
- 4) No dance attendance
- 5) No in-town field trips
- 6) Overnight field trips with teacher and admin approval

Before and After School

Supervision

Blue Oak provides extended days so that children can be supervised on campus between 7:15 am and until 4:15 pm if engaged in clubs. You may not leave your child on school grounds unsupervised, before or after school. Students may not hang out in the halls unsupervised. They may come in during the mornings to put their items down by their classroom but must return to the playground until the morning bell rings.

Drop-Off

Upon entering the school parking lot, left-hand turns are not permitted for Blue Oak parents. All incoming traffic will be directed to turn right and park, or drive around the back of the school grounds and drop off in the designated "drop-off zone". All walk-ins must enter through the main entrance at the front of the school. Side entrances will remain locked at all times.

The Kindergarten is located at the back right corner of the school building. It is best to park near

this area and walk your Kindergartener into the Kindergarten playground.

Children in Grades Tk-8 may be dropped off as early as 7:15 AM.

Pick-Up Procedures

Students should be picked up from school at the close of classes. If your child is not picked up at their classroom within 15 minutes of dismissal, they will be brought to the front to wait for you or dismissed to meet you at your arranged location. If you are going to be later than 15 minutes, please call the front office to let them know. If you are not able to pick up your student within the first 30 minutes, enrollment in after-school care may be a good option or participation in one of our after-school clubs.

Children in Grades 1st - 2nd are met outside their classroom each day.

This small gesture allows for countless opportunities to support your child but also for you to connect with other parents and your teacher. Of course, continuing this further through the grades is welcome and encouraged. If you cannot meet your little ones inside, please communicate that to your classroom teacher(s) so they can help direct your children to your meeting place.

Kindergartners must be picked up outside their classrooms.

Children in grades 1st - 4th require written permission from the parent to be able to walk home.

After School Care

If you are in need of childcare beyond the extended day of 7:15 to 4:15 pm, please reach out to your classroom families to discuss carpool arrangements and to help arrange after school hours care.

After School Clubs

As part of the Extended Day program Blue Oak offers various After School Programs at no cost each school year. The offerings change each year and an updated schedule will be released to the community in August.

Examples from previous years:

Homework Club
Chess Club
Middle School Band
Handwork Club

Family Engagement: Volunteering, Visiting & Participation

Active family involvement is crucial for your child's academic success and the overall strength of our school community. We request that each family contribute at least 50 volunteer hours per academic year or provide an equivalent donation to cover your Participation Hours. This commitment fosters a collaborative learning environment and enhances your child's educational experience. There are a variety of ways to get involved that may include:

1. Classroom assistance (e.g., reading with students, helping with projects)
 2. Event planning and support (e.g., fundraisers, field trips)
 3. Administrative tasks (e.g., office help, library organization)
 4. Specialized skill sharing (e.g., guest lectures, workshops)
 5. School improvement projects (e.g., gardening, painting)
-

To explore these options and find the best fit for your family, please:

- Visit our school website for a comprehensive list of volunteer opportunities
 - Speak with our front office staff for current needs and scheduling
 - Consult your child's teacher about classroom-specific ways to contribute
-

Your engagement not only supports our school but also demonstrates to your child the value of education and community involvement.

Visitors

Blue Oak Charter Council (BOCC) believes that it is important for parents/guardians and community members to take an active interest in the issues affecting students and encourages parents/guardians and other interested members of the community to visit the school and participate in the educational program.

To ensure the safety of students and staff and minimize interruption of the instructional program, the Executive Director will establish procedures that facilitate visits during regular school days. Visits during school hours should be first arranged with the Teacher and Executive Director or designee.

All visitors shall sign-in immediately upon entering any school building or grounds when school is in session.

No electronic listening or recording device may be used by students or visitors in a classroom without the Teacher and Executive Director's permission.

BOCC encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the complaint process posted on our website if they have concerns with any district program or employee.

In accordance with Penal Code 626.7, the Executive Director or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

Any person who is required to register as a sex offender pursuant to Penal Code 290, including a parent/guardian of a district student, shall request written permission from the Executive Director before entering the school campus or grounds. As necessary, the Executive Director shall consult with local law enforcement authorities before allowing the presence of any such person at school or other school activities.

Volunteers

All Volunteers who will be with children, on or off campus must have a Live Scan clearance (fingerprints cleared) on file with Blue Oak School. Clearances from other organizations or schools are non-transferable. Please see the front office staff to pick-up the Live Scan form you will need when completing your live scan. Once you have a clearance on file with Blue Oak School you are indefinitely cleared for volunteering at Blue Oak, unless otherwise notified. If the one-time cost associated with this requirement is prohibiting you from volunteering please ask front office staff how we can help you.

Curriculum

"The need for imagination, a sense of truth and a feeling of responsibility - these are the three forces which are the very nerve of education" Rudolf Steiner

Blue Oak blends the traditional Waldorf education with Common Core state standards to bring Public Waldorf to Chico and rural Northern California.

You will find more details on our [Website](#) under Academics/Waldorf Education. More thorough information is available in the [Charter Document](#).

Field Trips

Field trips are an important part of the Waldorf program and a high level of parent participation is required to make them possible. Please check with your teacher concerning field trips as COVID 19 has required adjustments to the planning.

Behavior Expectations

Courteous behavior is always expected of students, parents, faculty, and staff, while on field trips or participating in activities at School. All of the school and classroom guidelines apply to children, teachers, and parents on field trips.

Chaperones

Chaperones are chosen at the teacher's discretion. All chaperones must have a LIVE SCAN clearance on file with Blue Oak School. All chaperones must comply with all school rules and field trip policies. Smoking, use of tobacco products, drinking alcohol, and/or drug use, are **NOT** permitted on school field trips. Siblings and pets are not permitted on school field trips.

Costs

We ask that parents cover the costs of field-trips through donations. If you are unable to pay for these costs we ask that you speak with your classroom teacher and participate in classroom fundraising activities.

Drivers

In most cases, children will be transported by private vehicles. The school requires that all Drivers have the following on file with Blue Oak School (1) Current Driver's Lic. (2) Adequate auto. insurance coverage (3) Live Scan Clearance w/ Blue Oak School.

Overnight field-trips

Overnight field-trips begin in the 3rd grade and continue every year thereafter. Each grade level has specific trips each year which are directly correlated to their grade level curriculum.

Permission Slips

Our school has a general Walking Field Trip permission slip for all walking field trips throughout the year. There are also separate field-trip permission slips for each field-trip requiring transportation.

Intervention Services

Students struggling with academics may be referred to receive additional support. This may include small groups or one-on-one intervention time. Your child's needs will be reviewed with you prior to any intervention. If you believe your child needs academic intervention your first step is to communicate this to your classroom teacher and request that an SST (Student Study Team) is initiated for your child. The SST will then work with you and your child to identify the issue(s) and determine whether changes can be made within our general education program or whether further intervention services are needed through further development of an IEP (Individual Education Plan) or a 504.

If you feel your concerns are not being addressed please reach out to our Executive Director or to discuss your concerns further.

What Is The Student Study Team?

The Student Study Team (SST) includes, at a minimum, you, your student's classroom teacher, and an administrator. This team reviews individual student strengths and areas of concern. The SST then plans strategies and organizes resources to help your students improve their ability to learn and be successful at school. This process is a function of regular education.

How Is A Student Selected For the SST Process?

When a student is struggling with learning, behavioral and/or emotional needs and seems to need additional attention, the parent, the classroom teacher, counselor or an administrator will ask that a Student Study Team be called to discuss the student's needs.

Classroom Placement

The process of making up classes begins in May. Our goal is to achieve academic, behavior, and gender balanced classes. We also strive to create strong class communities and support individual student needs.

Parents frequently have information concerning their children that they wish to have considered during the placement process. Parents with such information are asked to write to the school Registrar explaining their child's special needs. We work to honor requests for a specific teacher, but cannot guarantee it.

Student Health

FIRST AID, defined as the immediate, temporary care given in case of accident or sudden illness, will be given when necessary. First aid will be rendered by the school nurse, health aide, or by a staff member. In case of a serious accident, every attempt will be made to contact the parent/guardian before the child is taken to the doctor. Please assure Aeries, Blue Oak's student information system, has updated telephone numbers, addresses, work locations and emergency contacts at all times.

School Authority to Exclude Children from School

The California Education Code (CED 48211) authorizes the school to exclude students who exhibit evidence of contagious or infectious diseases or children showing evidence of improper hygiene. Students with Infectious Diseases Students shall be excluded from on-campus instruction only in the case of causally transmitted diseases. Parents/guardians are encouraged to inform Blue Oak if their child has an infectious disease so that school staff may work cooperatively with the student's parents/guardians to minimize the child's exposure to other diseases in the school setting. If necessary, the Executive Director or designee shall inform the local health official of any potential outbreak. Blue Oak will ensure that student confidentiality and privacy rights are strictly observed in accordance with law.

Control of Diseases & The Common Cold

Check your child daily for signs of illness (cough, sore throat, fever, rashes, etc.) The expectation is that 24 hours have passed since resolution of fever without the use of fever-reducing medications. Children with colds should remain at home until most of the sneezing/coughing is over. Please send tissues with the child when he/she returns to class.

Disease Incubation Exclusion Period

Chicken Pox 2-3 weeks 1 week after eruption first appears
Conjunctivitis 1-3 days Until pink eye clears and no pus remains
Scarlet Fever 1-3 days 10-21 days from onset or clinical recovery

Strep Throat 4-10 days Not less than 7 days
Impetigo 4-10 days 24 hours after treatment with Rx medicine
Ringworm 4-10 days 24 hours after treatment with Rx medicine
Covid - please refer to the CDC for current, up to date information

Masks - Respecting Personal Choice

1. The state is providing personal choice for masking in schools with the expectation that individual decisions are respected.
2. One should not make assumptions regarding someone's beliefs or health status based upon their choice to wear or not wear a mask, nor should they comment on them.
3. For young children, please let teachers know your wishes. *The schools may discuss the change with students in a developmentally appropriate manner, including how to respect everyone's personal choice.*
4. If your child(ren) expresses any anxiety, feel free to reach out to our school counselors for additional support as needed.

Immunizations

To comply with the California Immunization Law, the parents/guardians must make sure each student has completed the required diphtheria, tetanus, pertussis (DPT), polio, measles, mumps, and rubella (MMR), and Hepatitis B series immunizations before enrolling/starting school. Vaccines are required for all students on campus unless a physician authorizes an exemption through CAIRS <https://cairweb.org/>.

Medications

If your child needs prescription medication during school hours it must be kept in the health office (Rest & Recovery), with the health aide. Medications will be administered according to state regulations. A signed doctor's note must be kept on file with all prescription medications. Students may not carry any type of medication (prescription or over-the-counter) on their person or in their bags.

Head Lice Policy

It is necessary that efforts be made to effectively control head lice as soon as it becomes evident that a student may be infested. When a student has been found to have head lice, parents will be immediately contacted and the student excluded from school in order to receive proper treatment. Students will be readmitted to school ONLY after they have been checked by appropriate school staff and found to be free of head lice. It is recommended that parents check children weekly for signs of head lice. When shampooing, observe behind the ears and above the neck for nits or eggs (pearly ovals cemented to hair shaft 1/4" from the scalp) or live lice (pin-head size). Routine screening is important since many students will exhibit no symptoms or itching. If evidence of infestation is found, please notify the school so appropriate action can be taken. Contact friends, sitters, etc. and let them know also.

Tobacco Free Policy

(Board Policy: #5131.6 – summarized) Blue Oak Charter Council (BOCC) recognizes that the use of commercial tobacco products, including electronic smoking devices, is a health, safety, and

environmental hazard for students, staff, visitors, and school facilities. The use or promotion of commercial tobacco products, including electronic smoking devices, on school grounds and at off-campus school-sponsored events are detrimental to the health and safety of students, staff, and visitors. All adult staff and visitors serve as role models to provide an environment for learning and working that is safe, healthy, and free from unwanted smoke or aerosol and other commercial tobacco use for the students, staff, and visitors.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of school grounds, except on a public sidewalk located within 25 feet of the school. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited. (Health and Safety Code 104495)

(A) Blue Oak students are prohibited from possessing, using, consuming, displaying, promoting, or selling any tobacco products, tobacco-related devices, imitation tobacco products, or lighters at any time on school property or at any off-campus, school sponsored event.

(B) Administrators, staff, or visitors of BOCS are prohibited from using, consuming, displaying, activating, promoting, or selling any tobacco products, tobacco related devices, imitation tobacco products, or lighters at any time on school property or at any off-campus, school-sponsored events. This includes products or paraphernalia

displaying tobacco industry brands.

(C) It shall be a violation of this policy for BOCS to solicit or accept any contributions, gifts, money, curricula, or materials from the tobacco industry or from any tobacco products shop or producers of electronic smoking devices.

(D) Instruction to discourage the use of tobacco products shall be included in the education provided for all students.

Pesticide Use

Blue Oak follows the Healthy Schools Act of 2000 and utilizes an Integrated Pest Management System that focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment, are used only after careful monitoring indicates they are needed according to pre-established guidelines and treatment thresholds. The Healthy Schools Act of 2000 requires all California local educational agencies to notify parents and guardians of pesticides they expect to apply during the year. Please see the website for specific information.

Please contact the Facilities Manager if you wish to receive written notification at least 72 hours prior to the application of an individual pesticide at your school. Each school will maintain a list of parents or guardians who want to be notified before individual pesticide applications are made. Prior to the application of any pesticide, the District will post a warning sign at the area to be treated at least 24 hours prior to the pesticide application and such signs will remain posted for at least 72 hours after the application. In the event of an emergency condition, advance

notification and prior signposting may not be feasible, but a warning sign will be posted immediately upon application of the pesticide.

Complaint Procedures

If you have a question or concern, take the following steps first for resolution or understanding:

1. First, bring your concerns/questions to the appropriate personnel such as your classroom teacher, specialty teacher, facility or front office staff.
2. If the concern was not resolved, then bring it to administration to schedule a meeting time for a discussion.
3. Your final option is to bring your concerns/questions to the Board Chair or other board member, only after you have talked with your classroom teacher and Executive Director, to get a clear understanding of when/how your concern will be addressed. The Board Chair or other board member will communicate with the administrator and, if appropriate, may ask that the item be placed on the agenda for open review. You may also bring your concern/question to the open session of the board under Audience to Address the Council.
4. If the issue has not been resolved after steps 1-3 file a formal Complaint Form should be completed. The link to this form can be found on the website under [Forms and Resources](#)

The Executive Director may assign other staff or other individuals to investigate based on the nature of the complaint. The Executive Director will ensure that employees and individuals designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel. Staff members and individuals who may be asked to investigate complaints are: Executive Director Teacher/Faculty Support Staff Landlord Other The Executive Director will promptly notify the complainant if another employee or individual is designated to investigate the complaint.

Lunch Program & Meal Services

Our current meal services are provided by Blue Oak Charter School. Breakfast is served before school between 7:45 am and 8:10 am. Kindergarten breakfast is served until 8:30 am. A second chance breakfast is served during morning recess/snack period. Hot lunches are served daily every day except Thursday (half-day) when a sack lunch is served.

Breakfast and lunch will be provided to all students at no cost.

Pre-ordering is not needed. Students can just show up for breakfast and simply need to raise their hand during the lunch count each morning to get a school lunch. Students are given two to three choices at each meal time and a fresh fruit and vegetable bar is open to them at each lunchtime. All parent/guardians must fill out the lunch form through Titan. To fill out the form, please click on the following link:
<https://lingconnect.com/public/meal-application/new?identifier=P7QYM9>

Please reach out to kellie@blueoakcharterschool.org if you need assistance.

When within the school, we encourage healthy choices. Students should bring a water bottle to school. They can refill their water at the various water filling stations around the building. It is

highly discouraged for students to bring soda, energy drinks or juice to school. In addition, healthy snacks are recommended to be packed if the student is bringing food from home. Candy and sweets should not be brought for snack and/or lunch. We appreciate your support in promoting a healthy lifestyle and teaching students to make healthy choices starting at a young age.

Parent Enrichment Evenings

These are provided for current families, prospective families, and the general community throughout the school year. It is important for all community members of our school to seek continual growth and education. These are provided for you as a community service and we strongly recommend that you attend each one. Deepening your understanding of Waldorf education is key to your child's success at our school.

Birthday Celebrations and Parties

Birthdays at our school are important for your child and the entire class community. In the early grades, each teacher arranges a special classroom celebration to honor them. You can speak with your class teacher for more details. If you'd like to share a treat with the classroom, please discuss it with your child's teacher ahead of time.

Technology on Campus

Student School Phone Use

Student phone use is limited to staff approved calls. **Calls from parents will not be transferred during class time.** The office staff will be happy to take messages and leave them in teacher mailboxes.

Photos & Video Opt-Out/Opt-In

Photos and video footage of students are used in public promotional materials and shared online via Facebook and our website. If parents do not wish photographs or videos of their student to be used in these materials, they must complete a Photo/Video Opt-Out form provided at registration days or at the front office. Opt-out requests are valid for the current school year and must be renewed at the start of each school year. Special Education students (students w/ IEPs) will need to Opt-In to photo use, as required by Federal Law.

Screen-Time

As a community, we value placing limits on the time children spend in front of screens. We realize this goes against mainstream culture and we encourage parents to support each other without judgment and help one another develop lifestyles which are consistent with this value.

Helpful Guidelines

- Ideally, students in grades K-3rd grade are not exposed to screens at all, as their brain development is most susceptible to the negative effects at this stage. Please see recommendations from the American Academy of Pediatrics on this topic.
- No screen-time during the mornings, either before school or on the way to school
- No screen-time exposure throughout the school week

- Screens off at least 1 hour before bedtime
- Weekends, screen-time exposure should be selective, limited, and monitored by parents

Student Use of Technology

Blue Oak Charter School (BOCS) recognizes that technology and Internet resources offer a wide variety of educational opportunities and tools that can enhance learning. G Suite for Education is one of the important tools utilized by teachers and students to help students succeed. We are very excited about the possibilities that G Suite offers students and teachers in the classroom as we strive to provide our students with 21st Century skills and meet common core standards in Technology.

BOCS's G Suite for Education domain is different from a personal Google account and is NOT open to the public. It is a safe and secure "self-contained" cloud-based system that is unique to our domain. Features typically available to personal Google accounts like video chat, personal profiles, and social networking will NOT be accessible to our students. Teachers will have the ability to monitor everything that a student does within G Suite. Accounts are property of Blue Oak Charter School. Therefore, content in these accounts may be accessed or searched by designated BOCS employees (IT staff, administrators, teachers, etc.) in accordance with Technology Safe Use Agreement.

Student use of G Suite for Education is governed by BOCS's Technology Safe Use Agreement and the BOCS's Student-Parent Handbook. Students are responsible for their own conduct at all times when using G Suite for Education, just as they are when they use any technology resources the school offers. Students retain the intellectual property rights of any work that they create and store on Google Drive. There are no ads in G Suite for Education. Google will not sell data to third parties nor will they share information in G Suite with third parties except if required to do so by law.

BOCS encourages all parents to share in the G Suite for Education experience by logging in with your child to see the types of activities and educational experiences that are offered.

Charter/District School Enrollment

No student may be required to attend the Charter School. Students who choose not to attend the Charter School may attend school within their district of residence according to that respective district's policy or at another school district or school within the district through the district's intra and inter-district policies. Parents and guardians of each student enrolled in the charter school will be informed on admissions forms that the students have no right to admission in a particular school of a local education agency as a consequence of enrollment in the charter school, except to the extent that such a right is extended by the local education agency.
