2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

BLUE OAK SCHOOL

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state’s high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Vision: To be a model for successful education of the whole child.

Mission: To nurture and deepen each child’s academic and creative capacities using methods inspired by Waldorf education in a public school setting.

Blue Oak Charter School (“Blue Oak” or the “Charter School”) is a tuition-free Waldorf-inspired, T/K-8, public school that opened in September of 2000 with seventeen children and one teacher. Today, the school supports approximately 230

2024-25 School Description and Mission Statement

children and 40 employees and represents families all over Butte and adjoining counties.. At Blue Oak, our priority is to provide an education that excites and interests the students. Our Waldorf-inspired/Common Core-based curriculum helps develop a lifelong love of learning. It prepares each child for active & ethical citizenship, critical thinking, self-awareness, creative imagination, & social responsibility. Each teacher molds the curriculum to address the class's individual and developmentally appropriate needs. Storytelling, science, and Social Studies are interconnected with English, Math, art, music, and movement. Transitional Kindergarten is folded into our Kindergarten, which is play-based. It helps students develop positive relationships and prepares them for the academic work of the first grade and beyond. Classes loop, staying together with their teacher for first through eighth grade. This increases the teacher's understanding of each student's needs and builds the strength of relationships that last into high school and beyond. Specialty subjects include Spanish, music, handwork, technology, & games.

We are unsure why the state does not show TK students in our enrollment. They are instead included in our Kindergarten. We hope to correct this reporting in future SARC's

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Blue Oak uses Waldorf curriculum and instructional practices. Textbooks are not used. Main lesson books are designed by the children throughout the educational process and serve as textbooks. The exception to this at Blue Oak is the Math and ELA curriculum, listed below. CPM is included with the most recent state adoption. Bridges in Mathematics and Sadlier were adopted by Blue Oak for content and applicability but are not on the state adopted lists. The state adopted lists were last updated in 2014 (ELA) & 15 (Math). Butte County Office of Education performed a Williams Act Audit in August 2023 and found materials and texts to be sufficient.

School Facility Conditions and Planned Improvements

The community has a sense of pride when it comes to our school. Our custodians, staff members, and parent volunteers ensure a clean and safe environment, in which learning can take place. Our efforts to maintain a 48,000 square foot school facility that is clean and attractive includes: painting our school, daily student job duties and regularly scheduled cleaning by custodial staff.

We are very proud of the "look and feel" of our school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parent participation is strongly encouraged and necessary for all children's successful education. Opportunities for parent involvement include but are not limited to:

- Governance and Committees:** Parents are elected or appointed to membership in governing bodies. Parents are required to hold three of the seven charter council member seats. Significant parent positions, such as finance and facilities, are set aside in our advisory committees. Parent input and membership are also sought in Strategic Planning, marketing, and facilities planning.
- Parent Council.** Parent Council is the representative body for parents. This council supports various activities and fundraising for Blue Oak and acts as an advisory body. Representatives are elected from each classroom as voting members.
- Classroom Support.** Parents may volunteer in a variety of ways to support the classroom. This may include time in class, preparation of support activities, field trip support, or supplies needed for the school.
- In-kind Support.** Parents with specific skills volunteer to support the school in their expertise. Parents are also encouraged to participate in annual school clean-up days for site maintenance.
- Fundraising.** Parents help fund general school support through the Parent Council and by class.
- Other educational supports.** Blue Oak's experiential learning opportunities, such as gardening, baking, and field trips, are important parts of the program provided to Blue Oak students and need parent support. Additionally, parents organize clubs and after-school activities such as Chess and other clubs.
- Festivals and Performances.** Blue Oak organizes two community festivals annually: the Harvest Festival and the May Faire. These include opportunities for parent involvement to support student engagement in projects and activities. Winter and Spring concerts also give opportunities for parent engagement.

2024-25 School Safety Plan

Blue Oak Charter School provides our students, staff, and volunteers a safe, clean environment. Our school has been beautified with additional landscaping, raised beds for gardening, and interior painting. Our Facilities Manager and three custodians ensure classrooms, restrooms, and school grounds are kept clean and safe to provide a well-maintained and

2024-25 School Safety Plan

suitable learning environment. Blue Oak Charter School has always strived to ensure that all students enjoy maximum learning opportunities within a safe and orderly environment, free from disruptive influences.

The safety of our students and staff is our primary concern. Our staff is on duty during recess, lunch, and before and after school to ensure the safety of all our students. The school's Risk Management Plan includes steps for ensuring student and staff safety during a disaster. Fire drills are conducted once per month throughout the school year. Lockdown and earthquake drills are practiced at least annually. The school-wide Behavior Matrix provides students and staff with a means to ensure a safe and orderly learning environment. Key elements of The Safety Plan include child abuse reporting procedures, disaster response procedures, procedures for safely entering and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code, behavior policies, and pandemic response. The Safety Plan is updated annually by a team of staff, faculty, and parents and reflects current best practices. The last review is annually in March. The following review will be in March 2025.

Professional Development

The goal of Blue Oak Charter School's professional development is to promote a continuing passion for learning and foster innovations in teaching. Waldorf curriculum training is provided to teachers each summer.. Additional professional development is provided through in-service, all staff and faculty meetings during the year. Training includes Reading and Math curriculum, assessment, Trauma-Informed practices, crisis response, and behavior supports. Teachers attend a minimum of 1 week of professional development training annually either on site or at off campus training. Aides and other support staff attend training based on experience and needs. Additional supports include teacher mentoring, conferences, in-class coaching, teacher-principal meetings and reviews of iReady student data reporting.
