From the Director

We woke up this morning to the first real frost of the year. I love the briskness in the air!

The Winter Concert was a big success. Joyous! Thank you to everyone who made it successful, especially the Parent Council, Teachers, and the fantastic Ms. Swanson! I love the student engagement in choosing items and announcing.

The facility work continues. The architect was on site again this week, meeting with the facility and staff and getting their input on what works and can change.

The first semester is ending; teachers are entering grades. Kellie Machi is preparing report cards. If there are any questions, please get in touch with your child's teacher. 6th grade Ms. Todd is now working to prepare for the class. You will be hearing from her soon.

Finally, a moment of peace in thought for our Southern California neighbors. Two Waldorf Schools were lost in the fires. They have hard work ahead as we know. We send them strength. If anyone would like to help more. Please get in touch with me.

With Gratitude,
Susan Domenighini

*With joy, we greet the morning sun, Who shines with love on everyone,
Who shines in the sky, on the land and sea, And who fills me with light
When he shines on me.*

Food Pantry Donations

We need some donations to stock up our food pantry! Often, pantries have a low point after the holidays. Please fill it up!

Cereal, Kid Friendly Snacks, Top Ramen are all favorites!

Valentines Day Camp 2/14 (ELOP)

We have a fun valentine's day themed day planned at this fun ELOP day that lands on a holiday!

Sign ups will begin on 1/20.

Winter Concert

Thank you to Mrs Swanson and the Parent Council for organizing such a wonderful winter concert! The evening was filled with delightful performances that showcased our students' musical talents and hard work. The decorations, program organization, and refreshments all helped create a festive atmosphere that our community thoroughly enjoyed. We appreciate all the time and effort that went into making this special event possible.

Poster Contest!

Miss Joan is hosting a Poster contest!

The theme of the poster contest is school expectations with examples (only five) and the five virtues of our school with examples. Students can draw, write etc and create their own poster.

Each grade level will be judged by a panel of staff (TBD).
The first place winner will have their poster laminated and posted around the school.

The second-place winner (providing the teacher agrees) has their poster laminated and hung in the classroom for the rest of the year.

Posters are due February 3rd.
