From the Director

Hello Blue Oak;

...and the beat goes on.

We are moving into February with some rain to remind us that it is still winter.

Things that are up:

We are working on establishing calendars for the next two school years. Dates for events, like Harvest Festival and May Faire, are being planned through collaboration between the faculty and the Parent Council.

You can find event dates for this year on the school calendar.

The Charter Council has passed the School Accountability Report Card (SARC). Look for it on the website. The Mid-Year (Local Control Accountability Plan) LCAP and the Safety Plan will be presented soon.

The facilities plan is still moving forward. We had a good talk during Donuts with the Director about it on Tuesday.

The noises of Rainy Day Recess and the Positive Attendance party are in the background. The Light Spiral and the 8th Grade play were this morning. What fun and beauty here!

Warmly,

Susan Domenighini

*With joy, we greet the morning sun, Who shines with love on everyone,
Who shines in the sky, on the land and sea, And who fills me with light
When he shines on me.*
