Not to mention those driving on field trips. The summer session starts on the 9th.

I have contacted the classes whose teachers are settled for next year.

Kindergarten Teachers Cheryl & Sheila will continue.

Kate McDonald is set for 1st.

Hunter Hamblin & Brittany Jones will continue as 2nd and 3rd.

Jennifer is planning for the 5th.

Nick Meier will move to 6th, he has been there twice before.

Emma Todd continues as 7th and Sarah Lee as 8th.

I enjoyed the music at Oaken Lands and the community at the May Faire. I am I look forward to the Spring Concert and graduation. What a whirlwind the end of the year can be. and so much fun.

Enjoy this great outdoor weather!

Warmly,

Susan Domenighini

"Our highest endeavor must be to develop free human beings who are able of themselves to impart purpose and direction to their lives. The need for imagination, a sense of truth, and a feeling of responsibility—these three forces are the very nerve of education."
