2. GOVERNANCE

2.1. CUSD Letter Discussion/Action

Trisha Atehortua

We had a lot of communication over the last year with the CUSD Facilities department representative. She has attended our Facilities Committee Meetings and Board Meetings to discuss the plan to apply for different funding one of which was Measure C. She was involved when we met with the architect and reviewed site plans. She has been advising us on how to go about applying for Measure C funding. The day of the meeting when Susan and I reviewed CUSD’s agenda we saw that Inspire had already been awarded \$10 million dollars out of the \$17 million dollars that we were told was available in the Measure C fund. We were shocked as we were not informed of this. Our application to apply for Measure C was due on May 2nd. We submitted this on time on May 2nd, 2025. The letter I

wrote summarizes the timeline of events that unfolded but ultimately we felt like we were not communicated with appropriately. We were left out of the loop and the whole process seemed to not be equitable or a fair process for Charters. April 17th was when they approved Measure C applications. During the application process the CSUD facility representative repeated that this is the first time we are doing this so we are just trying to figure it out, this is uncharted territory for the district etc. On May 14th Susan emailed the CUSD facility representative to follow up because she heard from one of our staff members that Inspire was going to receive funds from Measure C. The reply that we received from the facility representative did not address this question but addressed other items instead. This specific information on whether Inspire would receive additional funds was omitted. We were not looking at CUSD's agenda on May 14 because we had been told that the decision to award funding would not be on the agenda until either the June or the July meeting because it would take CUSD time to review the applications received on May 2nd. We were also told that sometimes they do not have meetings in July so it might even be August before the decision to award Measure C funding was made. We were blindsided when we realized that Blue Oak School was actually on the May 14th agenda along with Inspire and Sherwood Montessori. We were never informed that we were going to be on the agenda at this time. According to CUSD Meeting notes it was at this time on May 14th that the facility department's recommendation was to award Inspire an additional \$10 million dollars. This information was also omitted when CUSD reached out to follow up with additional questions about our application for Measure C funding leaving us under the impression that there was a \$17 million dollar pot to request funding from when there was now only \$7 million left. Susan did reach out to respond to the additional questions that were sent to us by the facility representative on May 20th. We received a formal response, below, on what information they needed on May 30th.

Section 2, Project Overview, the district said, please provide a more comprehensive description of the proposed project. This should include project plans, detailed descriptions, schematics, budget, project cost,

of primary concern is phasing, understanding that the only... that only the first phase is your current plan. How do you project to construct in Phase 1? Fulfill the needs of the students until future phases can be complete?

Section 3 was leverage funding. More detail on how the charter school plans to leverage Measure C find... funding. Please include clear and specific information based on the actual project estimates. And then Section 5, the initial response focused, which was, impact on in-district students.

The initial response focused primarily on the impact of Blue Oak students.

That was the response we received back from the district.

The big sticking points for us are that we were not informed about the vote happening on May 14th. It felt like this information was omitted intentionally. In all of the following conversations we had with the CUSD facilities department back and forth it was never once mentioned that Inspire was awarded the funding and even after we submitted our application for \$13 million it wasn't mentioned. It just seems that as an ally you might mention "Hey you are aware that there is no longer \$17 million dollars available right?" Until we show up at the meeting in September in front of the CUSD Board and they finally ask what is your plan for getting all of this money you are asking for when the funds are not available? Then we look like we are not prepared. We would like our letter to point out these facts. The relationship is definitely fractured now and our hope is that moving forward there might be some changes to their process that include equity, accountability, and integrity for all charters. Conversation continued.

Video of this meeting is available online.

Motion to edit the letter and send to CUSD by Trisha Atehortua. We will cc. Superintendent. Second motion by Donna Kreskey.

Cheryl Grant
Emily Swanson

Cheryl Grant presented the monthly faculty update.

4. BUSINESS

- 4.1.** Executive Director Hiring

Discussion/No Action

Outreach discussion. Susan has reached out to the Alliance for Public Waldorf Education to share that we are looking for an Interim/Permanent Executive Director. Outreach to BCOE as well. Other ideas are discussed for recruitment.

- 4.2.** Prop 39

Discussion/Action

Discussion on CUSD providing a district site and the application process. Prop 39 says that the district has to provide us with an appropriate site as long as we have 80 students. They get to pick the site. They apply their numbers to the site. This means they can say oh you have 32 district students then you get one classroom. When we went through the process before they didn't give us any rooms for specialties and they split us up into two different sites. One for elementary and one for middle school. To split the school up into two different sites will obviously not work with our program. Application is due November 1st. The district deadline is December 1st. We negotiate. They will give us an offer and our deadline to accept is March 1st.

- 4.3.** 7th grade Field Trip Discussion/Action

- 5.1.** Facilities Committee Report Trisha Atehortua

Review of Prop 2 application and process timeline. The Facilities Committee meets this Thursday October 23, 2025 at 6:00pm.

- 5.2.** Finance Committee Report Susan Domenighini

We did change meeting times to 5pm. We had a full report from Jim Weber. Accounting for ELOP cost accounting was provided to Susan and we will be reviewing this regularly. We are balanced overall and in good financial standing.

- 5.3.** Attendance/ Behavior Susan Domenighini

We are down in behavior referrals. Work on Tier 1 support continues. Behavior assessments deepen our understanding of student behavior. Reports from paraprofessionals is that on the playground we are seeing more discussions and conflict resolutions between students instead of conflicts with fights. Attendance rewards and citizenship rewards are happening. We have continued the Blue Oak Leaves reward system.

- 5.4.** Establish Training Retreat Date Vicki Wonacott

We need to do an annual Board Ethics and Brown Act Training. This is scheduled for 5pm, Tuesday, October 28, 2025. You are welcome to bring food to share.
We will look up CSDC ethics training. This is a longer training and may require more time than we will have on the 28th.

Susan Domenighini

Amazing Harvest Festival! We had student leadership participating in blue t-shirts which was wonderful to see. The George and the Dragon best play ever by 2nd and 3rd grade! The Parade of Lights was a wonderful event. Jim Weber from Charter Impact is back with us in the Interim as our support for school finance.

We had a school tour today with several lovely families all interested in enrolling. We vet the families that are invited during the school day to tour for safety reasons. It is meaningful for families to see our school while it is in session.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

Paying Interest: Your due date is at least 25 days after the Closing Date of each billing period. We will not charge you interest on your purchases if you pay the New Balance by the due date each month. We will charge you interest on balance transfers (unless otherwise disclosed) beginning on the transaction date. You can avoid paying interest on the Amount Above the Credit Limit by paying your Minimum Payment Due before the closing date of the month in which it is due. See your Cardmember Agreement for further details.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. **We will charge a fee of 2.70% of the converted US dollar amount.** We will choose a conversion rate that is acceptable to us for that date, unless a

particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

What Will Happen After We Receive Your Letter

When we receive your letter, we will do two things:

1. Within 30 days of receiving your letter, we will tell you that we received your letter. We will also tell you if we have already corrected the error.

2. We will investigate your inquiry and will either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We will not try to collect the amount in question.

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.

- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.

- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may report you as delinquent if you do not pay the amount we think you owe.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

October 31, 2025

Susan Domenighini, Superintendent
Blue Oak Charter School District
450 W. East Ave
Chico CA 95926

Dear Superintendent Domenighini:

California Education Code section 1240 requires that I annually visit Williams-monitored schools identified in our county and report to you the results of my findings on a quarterly basis (October, January, April, and July). Schools identified on the California Department of Education's *2025-27 List of Schools Eligible for Monitoring* are subject to monitoring through the 2027-28 fiscal year and were determined using the following criteria:

- Schools eligible for Comprehensive Support and Improvement or Additional Targeted Support and Improvement in the 2023-24 fiscal year.
- Schools with fifteen percent or more of the school's teachers that do not possess a valid and clear or preliminary teaching credential (teacher assignment data based on Census Date - October 2023).
- Schools that have a Dashboard Alternative School Status are excluded from the Williams list.

This report includes the results for our visit to **Blue Oak Charter**. Let me state at the outset that the visit was a positive, professional experience with a focus by the entire staff on seeking to improve the learning of each student. The purpose of my visit as specified in California Education Code section 1240 was to:

1. Determine if students have "sufficient" textbooks or instructional materials in the four core subject areas (English language arts, mathematics, history/social science, science) and, as appropriate, science laboratory equipment in grades 9-12, world languages, and health;
2. Determine if there is any facility condition that "poses an emergency or urgent threat to the health or safety of pupils or staff."

The law further requires the county superintendent:

1. Determine if each monitored school has provided accurate data for the annual School Accountability Report Card (SARC) related to sufficiency of instructional materials and the safety, cleanliness, and adequacy of school facilities, including "good repair."
2. Annually review teacher misassignments and teacher vacancies for monitored schools; and

"WHERE STUDENTS COME FIRST"

3. Receive quarterly reports from all school districts in Butte County on complaints filed within the school district concerning insufficient instructional materials, teacher vacancies and misassignments, and emergency or urgent facilities issues under the Uniform Complaint Procedures.

Before proceeding with the report, please see the list of definitions as described by law:

- “Sufficient textbooks or instructional materials” - each pupil, including English Learners, has a standards-aligned textbook or instructional materials, or both, to use in class and take home. This does not require two sets of textbooks or instructional materials for each pupil. The materials may be in a digital format as long as each pupil, at a minimum, has and can access the same materials in the class and to take home, as all other pupils in the same class or course in the school district. Education Code requires that school districts remedy insufficiencies of instructional materials in the four core subject areas within two months (eight weeks) of the beginning of the school year.
- School facility “emergency or urgent threat” - a condition poses a threat to the health or safety of pupils or staff.
- School facility “good repair” - the facility is clean, safe, and functional as determined by the Facility Inspection Tool (FIT) developed by the Office of Public School Construction or a local evaluation instrument that meets the same criteria.

In conclusion, the Butte County Office of Education is available to support each of your schools as we work together to ensure compliance with the Williams Settlement requirements. If you have any questions or need assistance, please contact Coordinated District Support at (530) 433-2318.

Sincerely,

Mary Sakuma
Butte County Superintendent of Schools
