1.4. Land Acknowledgement

As we gather here at Blue Oak School, we acknowledge that we are on the traditional lands of the Maidu people. For many generations, the Maidu lived from the richness of the earth, raising families and shaping the land, and they continue to do so to this day. We pay our respects to the Maidu elders past and present and recognize that this land was not given freely. Together, may we continue to work toward a healthy culture and society that warmly welcomes all people and cares deeply for our Mother Earth."
