2. GOVERNANCE

2.1. Prop 2

Trisha Atehortua

Recap - Proposition 2 distributes funds to local education agencies for new construction, modernization, and other programs to fix and renovate K-12 schools and community colleges across California. This is a 50-50 match in funding meaning that the state would pay 50% of the cost and the district would pay the other 50%. We are getting clarification on that match because there may be stipulations such as if we spend that money on a temporary site costs will we still get the match when it comes time to build our permanent site. Kings consulting is working on clarification on this. The California Department of Education (CDE) is requesting additional information on prop 2. We have a deadline of this Wednesday to provide the additional information. CDE site approval was tabled. Now we are designing this site. If we don't comply with CDE terms then we will have to tear stuff out later that we build now . Kings consulting will help us through the CDE site approval process resolutions. They charge \$205 per hour.

There is another firm that we are working with called Placeworks. They do things like soil sampling and other studies. We-meet on Thursday to look at that process. We need approval to hire Kings Consulting. The cost will not exceed \$4,100.00.

Donna Kreskey - motion to approve hiring of King consulting. The funding for this will come from our Measure K budget.

Lauren Cesca second motion.

Trisha will need help with Measure K details which are due the third Monday in February. Susan mentioned that her contact for this is Mary Cox - Susan Domenighini to get this information to Maggie for Trisha.

- 2.2. Measure C - Our application has been submitted to the district. We return to the CUSD with a doable plan to present on Friday, February 6 at 10:00 am at the district office. The only thing that is changing on this application is what we are using the money for. This is a public meeting so anyone can attend.
- 2.3. Prop 39 - Recap - Allows Charter Schools greater access to public school sites. We applied for Prop 39 and the district returned their offer of to us which we will review. They only have to provide classrooms for students that are in the Chico Unified School District. They are considering the likelihood that our enrollment will drop when we move to a different site. Review of the prop 39 offer from the district. This is clearly outside of what our request was. We are not going to take action on the prop 39 right now and will add this to the next agenda BOCC agenda for a vote. We need to be able to say that if they give us the money from Measure C funding on Friday then we will not take the prop 39 offer. The offer was for three different sites meaning we would split up the school. This does not look like a good working condition. The three sites that were offered as temporary homes for our school are Sierra View (1-TK class), Cohasset Elementary K-5th and Marsh (6th - 8th grade). This same option was offered to us 8-9 years ago and it was not acceptable then. If we want to use the Cohasset school then we would want to put our whole school on the Cohasset site. There doesn't seem to be enough room on this site without the option of portables. The district is offering two portables yet when we asked if they had portables available earlier in this process they said they did not. We will ask about this before Friday. We will also, revisit the Prop 39 offer after the district meeting on Friday.
- 2.4. Disposal/Sale of School Property §17546
Review of education code.

It is not likely that we will have any items worth over \$2,500 that we are trying to dispose of or sell in a yard sale.

Approve any items for sale or disposal or donation

Motion to approve -Trisha Atehortua. Second- Donna Kreskey

Susan has assigned Buck, Amy, and Emily - To determine the details of disposal. We do not have an official policy on where the funds go in this instance. However, we have our fiscal policy that outlines money handling details,i.e. anything that is sold will be tracked with receipts.
