6.1 Funding Request up to \$4,000- R. Murray **Approved. 1st Jackie Hammer. 2nd Nick. All in favor.**

Motion Approved.

School logo t-shirts - Requests up to \$4000 to purchase Tee shirts to spread school spirit during this time. This would allow a bulk order to have enough shirts for our school store. Amanda wants to know how many tee shirts are to be ordered. Jackie - having experience thinks the quote is for 400 shirts of \$2100. Angie - Some children already have the tee shirts with the words on the back as well? Tara confirmed that the logo would be in solid white with no colors on the back. Childrens Sizes: XS - 7 SM- 60 M-70 L-100 Kids. Adult sizes are included too. Michelle - extra shirts are also needed. Adults and Kindergarteners typically buy the shirts at the store. Nick - also stated that adults also requested xl shirts too. There will be an email established to work out these details.

6.2 Funding Request up to \$1,000- R. Murray

At-home dance party facilitation

Another Waldorf School reserved two hours reserved on the radio station to showcase our school. Jackie wants to know what the funding would be required for. A zoom or live dance party option may be something to also include. Amanda - mentioned that another option could be to have a Zoom call and use the ability to stream music simultaneously from everyone's speakers who joins. Frankie wants to know what the time-frame is. Jackie is willing to see if KZFR would be willing to allot time for something like this or if a DJ might be willing to help. Suggested that additional research is needed for this event. Amanda - having the kids call in and make requests could be fun. This topic may be revisited in the May meeting after more research is done for this event.

6.3 Funding Request up to \$500- R. Murray

Bingo night prizes and supplies

Riley suggested that as a community event, everyone make and use their own Bingo Card at home. A BINGO ball cage could then be spun to display winning numbers over zoom. \$500 would cover gift card/prizes for groceries etc. Frankie - asked if there were multiple prizes or one grand prize. Frankie has a Bingo game and is willing to help. The event could be facilitated via zoom. Zoom can do up to 50 people. Skype can do more. Jackie wonders if there is a way to ask for more gift cards as donations for this activity. Frankie suggested that both the dance party and the Bingo event could be on a May agenda. Angie was wondering if smaller gifts would be appropriate. Machi - agrees that it is a fun idea, but it may be a difficult time to request donations. Planning will continue. Frankie also thought that a community event could be better planned. Frankie is willing to spearhead more research for the dance party / Bingo week long event. Email thread will be started with Jackie, Angie, Spirit week: April 27th - May 1st. Thoughts were that we could tie this together with the last week of school, which is the first week of June. Amber reminded the PC that if funds are needed, they will be released after the May meeting minutes are approved for said funds requested.
