

Agenda Item: New Back Office Provider

Prepared by: Susan Domenighini Charter
Council Date: September 21, 2019

Background Information:

Steven Rudy had prepared a new proposal to replace CSMC as our back-office provider. We would continue to work with PayBridge for payroll and BCOE for data. Steve would work with Maggie and prepare reports per the attached proposal. He will be available for meetings through technology.

I worked with Steven in Glenn County and found him knowledgeable and professional.
