

Agenda Item: Employee Compensation Under At-Will Agreement

Prepared by: Susan Domenighini Charter Council Date: 6/18/2019

Information:

Blue Oak Charter School's current At-Will Agreement has the following information written in the agreement:

“Employee are eligible for a stipend for a Waldorf Certification and/or a Master's degree; these will be paid monthly along with the Employee's regular pay. Additional stipends will be paid based on the document agreed to by the Blue Oak Charter Council.”

We would like to formally put this in front of the Charter Council to be approved. Additional stipends may include home visits, summer training, extra duty pay, etc.
