Student Support and Academic Enrichment (SSAE) Competitive Grant Program

Due: Wednesday, October 17, 2018

The purpose of the SSAE Competitive Grant Program is to encourage and support eligible districts and public charter schools to increase the capacity of LEAs to provide all students with access to well-rounded educational opportunities; support safe and healthy students; and/or support the effective use of technology. The process will prioritize applications that enhance visual and performing arts education or utilize funds as part of a comprehensive strategy to expand access to physical and mental health care.
