

## Staff Input on LCAP Goals – May 2018

### **Goal 1 - Build the Parent Community**

Increased activities to welcome and engage new parents:

Phone Calls

Buddies

Increase communication platforms (too much dependence on emails)

Community Activities:

Friday Potlucks

Meaningful Festival Life

Waldorf education nights

Whole school events

Study how to improve engagement of low SES families

### **Goal 2 - Support Success for all Students**

Attendance plan both rewarding the positives and giving consequences

Active plan for non-completion of work

Data based decision making

Increased test prep

Increased resources for differentiation

Increased professional development

Increased math instruction

Understanding of content to be covered in all subjects

Honor excellence and improvements

Supports in class

Intervention for all grades

More ELA and math prep in kindergarten more developmental materials

Review and improve ELA program

Regularly scheduled collaborative time

Increase behavior/emotional support coverage to full time

### **Goal 3 - Prepare for High School**

Standard planners for middle school

Student workload appropriate to prepare for high school

Improve supply and storage for science lab materials

Active plan for non-completion of work

Collect data on past students success & gaps

Mixed class block swap or specialties classes

### **Adjustments to LCAP action based on this year's input**

- 1) Governance training and establishing an Executive Council of Parents, Faculty, and BOCC
- 2) Increased focus on community events and communication
- 3) Development and implementation of an attendance support plan
- 4) Focus on how we serve significant sub groups
